Posh Paris's 'shock' S&M revelation

SEX-CRAZED Paris Hilton has amazed fans by admitting she loves S&M.

The pert blonde *(above)* shot to internet fame after appearing in a homemade porn movie back in 2004, which saw her romping with former boyfriend Rick Solomon.

That video climaxed with her noshing Rick off before letting him unleash his splooge on her boobs.

And aspiring pop singer Paris, 34, says she's also right into BONDAGE in the bedroom.

Speaking about the video to her new single, *High Off My Love*, she said: "It's very sexy.

"I loved the movie *Fifty Shades of Grey*. It's so good, it's so gorgeous.

"That S&M vibe, the outfits, make out. Like, sexual."

Paris is thought to be romancing British nightclub boss Joe Fournier, ex of *The Only Way Is Essex*'s Chloe Sims.

BB Chanelle: Lover bust my bottom!

FEISTY Chanelle Hayes has told how her randy boyfriend bust her BUM!

The former *Big Brother* babe, 27, says her fella Josh Singleton picked her up and DROPPED her on her arse, accidentally breaking her tailbone.

The 27-year-old said: "He slipped and I broke my coccyx.

"I was in absolute agony and I haven't been able to move easily since, let alone exercise.

"And I'm one of those people who eats everything if they're not training.

"When I don't go to the gym, it's like a free pass for me to binge."

Meanwhile Chanelle says her inactivity means she gets through three packets of biscuits a day.

She added: "They're really addictive. I feel so out of shape and none of my clothes fit me any more!"

Have you heard the one about the comic & the glamour babe?
KING of the one-liners Tim Vine was almost lost for words when he met up with Sunday Sport topless beauty Katie Marie Cork.
The 25-year-old glamour girl, from Feltham, west London, was at one of the top comic's gigs when she got the chance to slip backstage and meet the funnyman.
As well as being a stand-up comedian, Tim, 48, also appears in BBC1 comedy Not Going Out.
Tim's jokes include classics such as: "I phoned the local gym and I asked if they could teach me how to do the splits. He said, 'How flexible are you?' I said, 'I can't make Tuesdays'."

MONDAY

FURY erupts in the House of Commons as the new Scottish National Party MPs arrive early to grab the front benches.

The resulting crush meant that many MPs' buttocks were squeezed tightly together – which made their voices sound muffled.

TUESDAY

A PAIR of Christian bakers who refused to make a cake bearing a gay rights slogan are found guilty of discrimination.

Good. Life is too short to discriminate against gay cakes.

Some of my best cakes are fairies. And who among us does not fancy the occasional fruity loaf?

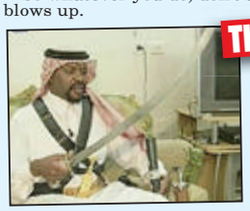
WEDNESDAY

MUSLIM terrorists are sneaking into Europe on boats full of desperate migrants, it is claimed.

They're quite easy to spot because their "lifejackets" look different to the others.

So whatever you do, don't ask to see how it blows up.

THURSDAY



SAUDI Arabia advertises for eight new executioners.

Sounds like a great way to get ahead. Sorry, I mean a great way to get a head.

Of course, you don't get to decapitate anyone on your first day.

Like all jobs you start with the menial tasks, like giving the main executioner a hand.

Or, even better, popping it straight into the bin.

FRIDAY

IRELAND holds a referendum on the thorny question of same sex marriage.

My mate Mick says he'll be voting "yes", as he's had the same sex in his marriage for 25 years: missionary position every other Friday, blowjobs for birthdays, Paddy's Night and a top three place on Eurovision.

SATURDAY

PEOPLE who were bullied as kids are more likely to be obese in later life, according to a lengthy research project dating back 50 years.

That's no surprise to me. It's amazing how much weight you put on when you can eat a whole plate of chips – not just the ones without gob on.

FED-UP with the traditional internet dating sites, pretty Katie Matthews tried out the dating app Tinder – and she hasn't looked back.

The 29-year-old publishing assistant from Walthamstow, north-east London, reckons she's bonked almost 300 men since signing up – a rate of almost one a day.

Unmarried Katie said: "I am a little bit worried that I might be turning into a nymphomaniac.

"No, worried is the wrong word. I'm actually having a whale of a time!

"The sex is amazing and there's a lot of excitement in meeting so many new men."

Tinder has revolutionised internet dating and, as it is mainly based on mobile phones and portable devices, puts potential dates in touch based partly on how close they are to each other.

The free app uses Facebook to build a user profile with photos that have already been uploaded.

Basic information is gathered and the users' social graph is analysed.

Match

Potential dates who are most likely to be compatible based on geographical location, number of mutual friends, and common interests are then streamed into a list of matches.

Based on the results of potential candidates, the app allows the user to anonymously "like" another user.

And if two users like each other, it results in a match and the pair are then able to chat within the app.

More than six billion matches have been made since Tinder launched in 2012 and the latest figures, from April of this year, show that 26 million matches are made every day. English literature

HER SEX DIARIES 'Within 5 minutes of booking in for an amazing night'

AS befits someone who works in publishing, Katie has kept a diary of her sexcapades. And she's let us have a peek:

FRIDAY FEB 13

Single on the day before Valentine's Day and it's Friday 13th to boot! It's not going to be my lucky day!

SATURDAY FEB 14

I was wrong about yesterday being unlucky! And WOW was I wrong.

Went to wine bar with the girls after work as usual and stayed until about nine.

They all went home and I stayed behind thinking that a couple of people working late at the office may head in.

To while away the time, I clicked on Tinder to see if anyone interesting was nearby.

Sure enough, there was a

really cute guy called Mark whose profile came up almost immediately.

I tapped 'like' and, sure enough, it came up as a match.

We chatted text for a few minutes and realised we were in the same bar.

I looked around – it was really crowded – to see if I recognised Mark from his profile.

Eventually I saw him, he was looking around too. It was an eye-across-a-crowded-room moment.

We both knew why we were on Tinder, so there was hardly any messing about.

We fancied each other and

NO MESSING: Katie has found Tinder is the quickest way to get her kit off

graduate Katie is certainly a happy user.

She said: "I'd used internet dating sites before with mixed results.

"There are a lot of bullshitters out there. Some people simply created profiles that made them look like James Bond, when in real life they were more like Dale Winton.

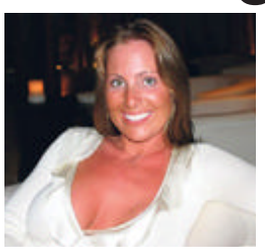
"Tinder uses people's Facebook profiles, so it's less likely to be bollocks. It's very much like real life – you start chatting to people you like the look of and pair off with them.

"Because they're likely to be nearby, you can get together in minutes.

"Most days I find someone new to have sex with. A couple of times I've even had two in a day.

"No doubt I'll eventually find someone nice to settle down with, but at the minute I'm just having a really great time getting lots and lots of sex."

meeting we were at the hotel reception



now we really wanted to f**k each other.

Just five minutes after meeting we were inside a hotel a couple of doors down from the bar booking in for the night.

The sex was desperate, half-tipsy and absolutely f**king amazing.

Sex is definitely the best way to relax after a hard week at work.

And I got relaxed every way up, in all holes.

God, it was fantastic.

FRIDAY MARCH 20

Logged on to Tinder at King's Cross station on the way to Peterborough to meet pals.

As usual at places like this – train and bus stations, airports, etc – there were loads of people nearby on Tinder.

Got a match with a guy called Pete, who was heading up to Durham – and on the same train as me, it turned out.

We met up in the buffet car soon after leaving London and found seats nearby to have our drinks.

He was about six-two, blond, with huge shoulders – just my type.

And he was VERY, VERY flirty.

I could feel myself getting wet as we talked and thought – 'got to have this bloke'.

'Fancy joining me in the toilet?' I asked – ah the romance!

There's not much chance for subtlety when you're having a f**k in a train toilet – and subtlety was not what I was after.

I wanted to get it done and get a couple of drinks down me before arriving at Peterborough.

Not disappointed at all. V big!!!

Note to self: Pack spare panties when travelling by train, just in case. V squelchy.

Clinton porn spoof starlet does Hillary

FORMER First Lady Hillary Clinton has been spoofed in a PORN parody of her race for the White House.

The 67-year-old Yank politician (*above right*) last month declared she will run for President in the 2016 election and Hollywood's grot makers have been quick to cash in.

In the pervy political parody, shot in Los Angeles, adult actress Nina Hartley (*above left*) plays the former Secretary of State, with James Bartholet as Bill Clinton.

This marks the fourth time Hartley has played the former first lady – her most famous performance includes an all-girl threesome in 2008's *Who's Nailin' Paylin?*

Hartley said: "I'm not a trained actress, but I've been making adult films for 31 years.

"I've gotten to an age where I'm playing authority figures.

"I have sex fantasies about her. I imagine she's bisexual and she's deeply passionate."

Out-of-control 4x4 crushes OAP owner

A PENSIONER was ran over by his own Land Rover after slamming the boot so hard it went into reverse, an inquest heard.

Gerry Harper, 74, was crushed to death by the automatic car in a freak accident as his wife watched on in horror.

He left the luxury 4x4 in reverse with the ignition still switched on as he went to get his daughter's bag out of the back after shopping.

An inquest heard that the retired newspaper worker thought the Land Rover Freelander was in the "parking" gear as he slammed the boot shut.

But him closing the boot activated the engine and the car rolled over him.

He died from multiple injuries outside his daughter's home in Llanfrechfa, South Wales.

Coroner David Bowen recorded a verdict of accidental death.

THE VOICE OF YOUR BRITAIN

Rubber plant warning for Royal safety

LIKE any responsible publisher, we are never happier than when we see a condom.

Since the advent of the AIDS, the humble sheath has saved countless millions of lives around the world and we stand proud to salute its contribution.

BUT…

Prophylactics have their place and that place is certainly NOT hanging from a bush at the Chelsea Flower Show.

Certainly not when Royals are a-visiting.

The appearance of a nodder at Chelsea last week – just inches from the Duchess of Cornwall – should send a shiver down our collective spines.

If 'pranksters' can get so close to the Royals there is every chance that the wicked warriors of ISIS and al-Qaeda could do so, too.

We are sorry for bringing up the sensitive issue of sheaths on the Sabbath and apologise to followers of the Roman church, who regard such appliances as an anathema.

But when Johnnies are dangled, practically in the face of Royalty, we are forced to speak out.

SNOOTS and snobs would sneer at Wayne and Coleen Rooney for buying a caravan on the North Wales coast near Prestatyn.

Not us.

The Riviera of North Wales has to be one of the finest holiday venues on all of God's lovely earth.

We're delighted that – for all their millions – the Rooneys remember where they come from.

And despite Wayne's occasional waywardness, that is why the Rooneys will remain a cherished part of our national fabric.

Nervous Dec, 39, says he's worried about what's in stall for him.

The world famous "Goatse" photo, first shot to fame as a web nasty in 1999 and, according to Wikipedia, shows "a naked man stretching his anus with both hands, to approximately the width of his fist".

And the image left passers-by reaching for the sick buckets after evil pranksters made it appear on an electronic sign in Atlanta, Georgia.

Both the FBI and the Department of Homeland Security are now trying to find the perpetrators.

One of the alleged hackers took responsibility on Reddit, writing: "We are the Assange Shuffle Collective and we're responsible for the happy afternoon entertainment."

DRAW BLIMEY: Unlucky Bill Watson *(above)* saw his amazing work of art go from this to this

By NEIL GOODWIN
neil@sundaysport.co.uk

KNOB-TWIDDLING artist Bill Watson was still in the depths of depression last night after his ETCH-A-SKETCH masterpiece was wrecked by last week's earthquake.

After decades spent perfecting his technique on the cult 70s toy, the 51-year-old managed to recreate the MONA LISA on the plastic screen.

But, after he was jolted out of bed in the early hours of Friday morning by the 4.2 magnitude quake that shook Kent, he found all his hard work had been literally WIPED OUT.

Divorced Bill kept his incredible sketch up on the wall of his living room in Margate after completing it three months ago.

The trained plumber said last night: "I was jolted out of bed by what I later realised was the earthquake.

"I rushed downstairs thinking I might have burglars or something – but when I put on the living room light, I was horrified.

"There, on the wall where my Mona Lisa should have been, was nothing but a grey, blank square. My Etch-A-Sketch masterpiece must have been shaken clean by the quake.

"I'm devastated. It was my pride and joy."

Police hunt train monkey spanker

The incident is said to have happened around 7.45am last Saturday morning.

A British Transport Police spokesman said: "We are aware of an image that was posted on social media which appears to show a man indecently exposing himself onboard a train.

PHWOAR!

Babes up for top Cannes gong go bare

From BRAD CHADWICK in Cannes
news@sundaysport.co.uk

THE Cannes Film Festival is rightly hailed as the premier celebration of arty movies that nobody actually bothers to watch.

The flicks, which are often in foreign languages such as Welsh or Belgian, battle it out to win the prestigious Palme D'Or – French for "this film won't be showing at your local multiplex any time soon".

However, despite the tiresome pretentiousness of the south of France festival, Cannes does generally attract some of the world's finest actress fanny.

Today, *Sunday Sport* examines the films up for the Palme D'Or award at this, the 68th annual festival.

And we also rather more closely examine the artistically-essential nude scenes their leading actresses have previously appeared in…

POTTY MOUTH: Hugo goes ape shit

CHEEKY MONKEY

Tot tells ape to f**k off

A TWO-YEAR-OLD tot has become an internet sensation after telling a monkey for "F**K OFF!"

Little Hugo Helliar was with dad Ashley and mum Luci at Longleat Safari Park in Wiltshire when he turned the air BLUE.

In the video Ashley, who runs a pest control company in Crewkerne, Somerset, is shown discussing the fact that the monkey has climbed onto the roof of the car, playing with windscreen wipers and eating something on the roof.

Hugo then echoes that the monkey is "eating", and adds: "Monkey on a car."

After his mother, 26, repeats the phrase, the two-year-old suddenly utters his sweary plea for the animal to leave, and his horrified father reacts, saying, "Oh no!"

Ashley made a slip of the tongue earlier, accidentally using a similar phrase after seeing a monkey grab at parts of his new car.

The clip had last night been viewed by more than 150,000 people on YouTube, and has been shared more than 120,000 on Facebook.

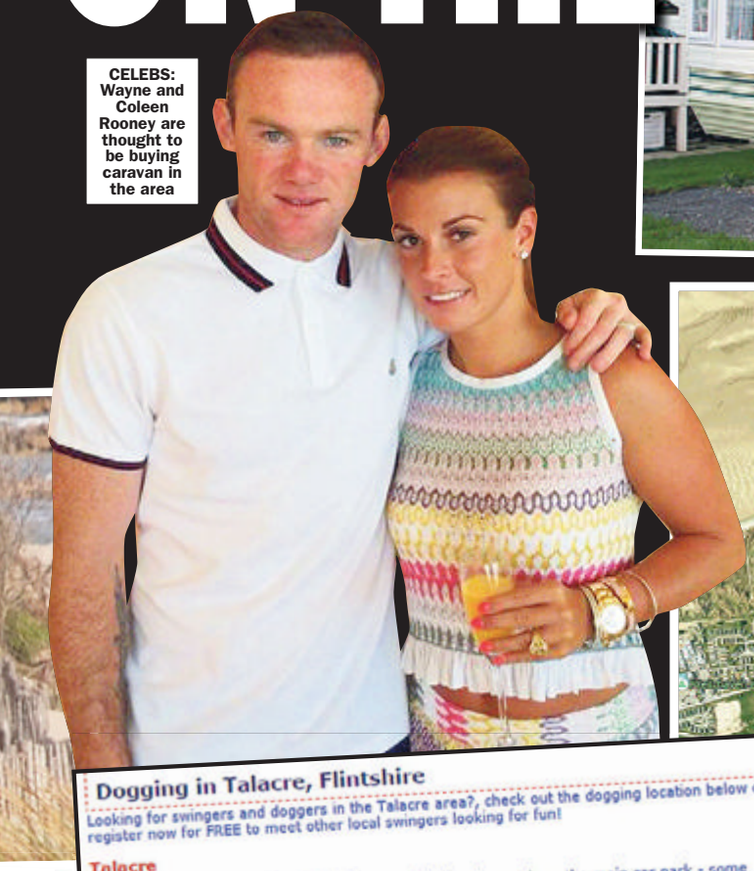
BACK TO THEIR ROOTS: Brits love traditional seaside stay in caravan



CELEBS: Wayne and Coleen Rooney are thought to be buying caravan in the area

HARMONY: Holidaymakers and sex people co-exist on the north Wales coastline

Dogging in Talacre, Flintshire

Looking for swingers and doggers in the Talacre area?, check out the dogging location below or register now for FREE to meet other local swingers looking for fun!

Talacre

- The sand dunes at Talacre Beach are secluded and away from the main car park - some dogging action here.

WAYNE and Coleen Rooney's new holiday home is just yards from a DOGGING hotspot where lust-crazed sex people meet for seaside ORGIES.

The super-rich couple, who have sons Kai, five, and Klay, one, are rumoured to be snapping up a £25,000 static home at Presthaven Beach Resort in Prestatyn, North Wales.

Thousands of happy holidaymakers – many from Wayne and Coleen's home town of Liverpool – enjoy blissful holidays along the coast in this pretty part of Britain.

But the sand dunes there harbour a darker secret – because DOGGERS descend like seagulls for kinky FULL and ORAL sex.

The dunes – which run from Talacre to Prestatyn – are advertised on a nationwide contact site which attracts sex people from across the country.

One dogger said: "The stretch of dunes from Talacre to Prestatyn are the jewel in the crown of the North Wales Riviera, for sex, at least.

"You would think that there would be problems having all these doggers so close to a family resort but everyone co-exists.

"There's so much to do on the caravan sites, you don't really need to go wandering into the dunes – so we have the place to ourselves."

Although Manchester United captain Wayne has in the past consorted with prostitutes, there is NO suggestion he would engage in outdoor sex antics near to his family caravan.

The possible arrival of the Rooneys at Presthaven Beach has led to much rejoicing in the area.

Holidaymaker Leonie Rainey, who had her photo taken with Coleen, and told newsmen: "It's that British sort of lifestyle that people love. Back to their roots."

Wife admits bonking Gove is hard work

LORD Chancellor Michael Gove "blushed like a beetroot" at Thursday's Cabinet meeting after his wife declared publicly that sex with him was a CHORE!

Mr Gove, 47, promoted from Chief Whip in the post-election reshuffle, is married to journalist Sarah Vine.

And in her *Daily Mail* column on Wednesday, Ms Vine lamented that sex for women over 40 was often little more than a drudge.

She wrote: "Let's face it, sex is just another chore. Something else to tick off your endless to-do list: 'fix the leaky sink, take the kids to the dentist, book the car in for its MOT, call mum, have sex with husband'."

A Cabinet insider said: "Nobody said anything directly to the Lord Chancellor.

"But there were some muffled titters when someone said the word 'chore' while discussing something else entirely.

"Poor Michael went as red as a beetroot."

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal joins Sunday Sport

THE Spice Girls once sang: "When you're feeling sad and low, we will take you where you wanna go..."

Well, if you're depressed, console yourself with the fact that life could always be a lot worse – you could be in the *Big Brother* house!

It's a bit of a drab series so far. I've hardly watched it because I just can't listen to Adjoa and Aaron with their whining voices.

Someone please buy Aaron *(right)* some Vicks coz he sounds like his nose is full of DRY SPUNK!

Danny and Sarah predictably tried to start a flirting storyline in a desperate bid to become the showmance of this series.

Danny knows how to play the game. He's obsessed with being famous and it's clearly coming across just how desperate he is. Predictable.

MY winner. Pie Face *(left)*, has proudly said he's struggling with the food situation in the house because he's so used to being able to eat what he wants, when he wants.

Bit of an obvious statement! I'd still love him to win – he's a legend! I love how he gets his moobs out and belly flops in the pool, no issues with his body. What a guy!

THE twins still think they're Playboy models, when in reality they look like a pair of cocks in frocks.

I've seen better looking drag queens down the canal at 4am.

And, staying on the subject of drag queens, Katie Price *(right)* has been confirmed as a celebrity judge on the UK version of the hit reality show *RuPaul's Drag Race*.

I've heard the plans for this show and I have to say, they're ruining the concept.

The US show is a big hit because it embraces the drag culture and doesn't just concentrate on finding wannabe Z-list celebs.

But that's just what the UK show will be about.

It's such a shame.

IN other celeb news, JLS midget Aston Merrygold *(left)* is back with his debut solo single.

And, in a nutshell, it's shite.

He should sign up for the next *CBB* because, judging by this effort, his music career looks dead and buried.

With JB on his farm and Aston releasing this bollocks, I was right when I said there wasn't life after JLS for all four members.

I'm rubbing my hands and cackling to myself right now...

NOT very long ago, Tara O'Connor was one of the most famous models in Britain.

Dark-haired stunner Tara was born in Birmingham on January 8, 1974.

Her parents were both Dubliners and she spent much of her youth in the fair city, where much of her family still live.

Being from a Catholic background didn't stand in the way of her glamour career and her mother was actually her biggest fan.

"My mum loves what I do and has encouraged me all the way," said Tara.

"She says to me, 'You are young and beautiful and have a fabulous body, so do it now while you can. Don't wait for gravity to set in'."

Those proved to be wise words and the accolades just kept on coming for Tara.

Stunning

Page 3 Girl of The Year in 1998 and 1999, she was also voted the fourth favourite Page 3 Girl of all time in a 2000 poll.

One of the busiest models of her era, at the height of her popularity Tara's website was receiving a staggering 200,000 hits per day.

And it's no wonder she was such a big favourite, boasting natural big boobs and a stunning smile.

Now 41, the last we heard from Tara she was appearing in a boxing movie playing a character called "The Pikey".

A MAN who had sex with a JACKET POTATO was nicked after his yelps of pain put him in breach of an ASBO.

Alan Jessop, 45, who is the bane of neighbours' lives on his estate in Crewe, Cheshire, was led away by cops and was heard protesting loudly about scalds to his bellend.

After treatment by a police doctor, he was charged with breaching the terms of his ASBO, which forbids him from "creating any disturbance" and also bans him from several pet shops.

One neighbour said: "Jessop's a twat. Once he's got a few ciders inside him he raises merry hell. Locals are sick of his antics.

"With a bit of luck he'll be so embarrassed about being caught nuts-deep in a spud he'll move away."

Last night Jessop refused to comment.

Sex with jacket potatoes – a practice dubbed "jacket potatoing" by less-than-original sex people – is thought to have originated in South America.

Lay-by sex people must have quickies

COUPLES meeting up for sex in two notorious lay-bys on the A40 in Oxfordshire face a race against time.

The clockwatchers will be out because bonkers will not be allowed to park for more than 30 minutes.

The rule for the lay-bys at Forest Hill, between Oxford and Wheatley, have been proposed by Oxfordshire County Council, and backed up by Thames Valley Police.

But there are concerns it could prevent lorry drivers using the stops legitimately for their safety breaks.

The council says the restrictions are to tackle 'anti-social behaviour' after reports the lay-bys and their public toilets are being used for sex.

A council spokesman said: "While regulations covering drivers' hours do require a break of 45 minutes, this doesn't have to be in a single block."

LAD GOES DOWN ON GIRL IN HIGH STREET

HOLIDAYMAKERS in the Greek resort town of Kavos were stunned when they spotted a woman sat on a kerbside – with a man crouched down and LICKING HER OUT!

By BRAD CHADWICK
news@sundaysport.co.uk

But far from being shocked by the explicit sight, the spectators FILMED the oral sex show on their mobiles.

Soppy

As the footage unfolds, the couple draw quite a crowd in the Corfu resort.

But the brave beau heroically tonguing his lady's soppy snatch is not to be put off.

Minutes later, his mouthparts apparently tiring from the marathon lapping, he then begins vigorously FINGERING the lady, sending her into some degree of delight.

Bystanders pose next to the pair and give "thumbs up" signs to the camera.

Their courtship for the moment complete, the well-mannered young man then wraps his jacket around the young lady's shoulders.

And the pair then totter away, pausing only for ANOTHER spot of finger fun.

An onlooker said: "Only a true-born Englishman would have the backbone to lick out his ladylove on a piss-stained Greek baskstreet."

NAUGHTY Georgie Darby knows exactly what her best assets are – her bra-busting BOOBS!

And when it comes to body confidence, sizzling Georgie isn't lacking – claiming her 32E charms are some of the best she's ever clapped eyes on.

The 25-year-old brunette, from Guildford, Surrey, certainly has plenty to boast about and isn't afraid to tell it how she sees it.

She purred: "I hope I don't sound big-headed but I really, really love my boobs.

"They're the perfect size and shape, and I've never, EVER had any complaints about them."

SHOCK AT C4 SPUNK SHOWER

BRITISH telly broke new ground this week – showing real-life MAN MUCK for the first time on our small screens!

The sticky splooge scene came in Thursday's Channel 4 documentary *High Class Call Girls*, in which "professional escorts" Emily B, 26, and Cookie Jane, 25, discussed their X-rated job.

And the programme's stand-out scene saw brunette Emily, a 30H porn star from Camden, north London, wiping JIZZ from her huge boobs after a paid-for session.

She giggled: "That was from a titwank! I do porn, I love cum. I spend the whole time trying to get it out of my eyelashes. Sexy, isn't it?"

Mopped

Prudish viewers were quick to voice their pretend outrage on Twitter.

One gasped: "Did Channel 4 just show spunk on tits!?"

And a disgruntled lady moaned: "You can't be on TV cleaning a random man's spunk off your chest and then say you want a serious boyfriend to settle down with."

JOB DONE: Emily is filmed cleaning off the trouser gravy

In 2013, Sky Atlantic drama *Girls* featured semen being mopped from some breasts, but this is thought to be the first instance involving REAL cock snot.

AMERICAN IDIOT

YANK politician Jack Moore from New York has denied racism claims, saying it's impossible for him to be prejudiced as he has "a very successful pumpkin patch".

Man v Food 'grenade chilli' death threat!

MAN v Food star Adam Richman has told how one of his extreme eating challenges almost KILLED him.

The American nosh muncher (*above*) is famed for swallowing belly-busting meals.

But the 41-year-old says he could have DIED during one hellishly-spicy ordeal.

He explained: "The spice challenges were always painful.

"I've only ever failed one spicy challenge, and it's because the owner cheated.

"He's a nice guy, but we caught him on tape as his microphone was still on.

"He made the hot sauce to the competition standard.

"But when I went out to warm up the crowd, we heard him say, 'Let's throw a full bottle in'.

"It was ghost chilli extract. They've actually made grenades out of that stuff for the police in India.

"It could have killed me!"

Springwatch Chris backs lynx effect

HIKERS in the UK are going to have to run the gauntlet of deadly maneating LYNX prowling the countryside.

That's if *Springwatch* star Chris Packham has his way, as he wants to see the snarling big cats released in the UK hills.

The 54-year-old nature lover said: "It would be brilliant if we had lynx in Britain again.

"These wild cats have been successfully reintroduced in Spain, Germany and France – with no reports of them attacking people.

"They'd also keep the deer population in balance, which would be good for the ecosystem."

Just last year a captively-held Siberian Lynx attacked its owner in Georgia, US, putting her in hospital with horrific head injuries.

Wobbles on the Cobbles!

GORGEOUS Jennifer Ellison is being lined up to bring back some much-needed eye-candy to *Corrie*.

The 31-year-old ex *Brookside* actress recently gave birth to her third child and *Street* bosses hope to tempt her with a juicy role.

The recent departures of Michelle Keegan, Georgia May Foote and Roy's wife Hayley have left the Cobbles short of top-end blart.

An ITV insider said: "We need something to keep the dads happy. Everyone knows that *Coronation Street* has become a ludicrous parody of its once-great self so we need to try and keep as many viewers as possible."

AMANDA GIVES TABOO SEX THE BUM'S RUSH

STUNNA: Actress Amanda

By NEIL GOODWIN neil@sundaysport.co.uk

HOLLYWOOD hottie Amanda Seyfried has dropped a subtle hint about her kinky ANAL SEX preferences.

The blonde hottie, who famously smooched Megan Fox in horror flick *Jennifer's Body*, was taking part in a Q&A session with director Neil LaBute about her new play, *The Way We Get By*.

And Amanda, 29, suggested she'd be up for all sorts of nookie…except BUM LOVE.

The babe, who recently played porn star Linda Lovelace, was discussing her onstage female character.

Talking about what she and her male love interest get up to behind closed doors, Amanda revealed: "I just imagined that they spent a lengthy time having sex.

"In other words, enough time that most bases were touched.

"Except for the butt."

It's not the first time Amanda has lifted the lid on her sex antics.

She once told how she sucked on a popsicle to perfect the blowjob scenes in 2013's *Lovelace*.

EILEEN & STRAP-ON SEX FLICK

By NEIL GOODWIN
neil@sundaysport.co.uk

BIG BROTHER beauty Eileen Daly evicted her CLOTHES for a kinky strap-on dildo PORN flick!

The quirky blonde – a natural brunette when the grot movie was made – was put up for the boot on Friday night's show as her fellow C5 housemates turned against her.

But they might reconsider their opinion of her when they see Eileen's saucy past!

Our sensational pics show Eileen, 51, disrobing and inserting sex toys into her MOUTH for 1995's Television X series *Stripper of the Year*.

In drool-inducing scenes, the actress – who appeared on last year's *The X Factor* as part of a folk-jazz combo – is seen performing a striptease while wearing nothing but a pair of black STOCKINGS.

Her full bush on show, Eileen stands with her back to a club full of men, bends down to touch her toes, and then rubs her fingers across her most intimate areas.

She proceeds to jump into the audience, jiggles her boobs in the face of a lucky punter and then lands a kiss on his lips.

Other risqué scenes see Eileen bouncing around in delight on a SEX DOLL while cupping her 34DD boobs.

And then she discovers a strap-on plastic cock which she uses to tease herself and other women.

One admirer said: "She's a bit bonkers, but Eileen has a cracking body."

Enders Den had sex in her DICK Whittington panto gear

SQUARE DEAL: Dishy Denise now appears in Beeb soap

DISHY Denise Van Outen once had sex dressed in a PANTOMIME costume.

It came when the stunna was appearing in Dick Whittington in London's West End.

Denise, who is now playing bombshell Karin Smart in *EastEnders*, said: "I once had sex in my panto costume when I was Alice Fitzwarren in Dick Whittington."

And although the horny babe didn't reveal where the session took place, or with whom, she did let slip another little secret.

The 40-year-old said: "I'm not the only one either. I know a very famous star who did it when she was dressed as a rat."

It was recently suggested that established *EastEnders* stars could face the axe as the cost of new celeb stars like Denise begins to bite.

Boss Dominic Treadwell Collins – who has overseen the BBC soap's return to success – hinted with such a limited budget some stars of the show have to leave to make way for big names.

As well as Denise, Richard Blackwood and Bonnie Langford have recently signed up after Danny Dyer joined as Mick Carter and proved a huge success.

YANKS: WE'VE BURNED BIN LADEN'S MIDGET PORN

Gwyneth: Sex keeps me slim!

SAUCY celeb Gwyneth Paltrow says she BONKS herself slim!

The X-rated exercise regime must be working, because the 42-year-old actress is hotter than ever!

The *Iron Man* beauty told *Women's Health* mag: "I'm not really a 'beauty person.' I believe, as cheesy as it sounds, in exercise, laughing, having sex, being yourself.

"I'm not like, 'Then I use this masque that I make on my stove'."

Lard-dodger Gwyneth, who recently split from Coldplay rocker Chris Martin, also says she's not as strict about noshing as everyone thinks.

She added: "My food philosophy is: Nothing should be ruled out.

"I don't believe in saying, 'You're not allowed that'.

"If my kids want a Shirley Temple with the radioactive cherry in it, go for it!"

Nurses caught having a stroke

TWO nurses have been jailed after being caught on video wanking each other off in front of a 98-year-old female stroke victim in their care.

Alfredo Ruiz and Russel Torralba were seen on surveillance video masturbating and fondling each other in the victim's room over a three-week period at the home in San Diego, California, in 2011.

The video footage, which was leaked to the internet before the two men were charged, also reportedly shows at least 50 incidents of neglect.

Ruiz and Torralba will both spend nearly a year in jail and will be on probation for a further five years.

The elderly victim's grandchildren say they paid for the in-house care because their grandmother doesn't like hospitals and this made her feel more comfortable.

CIA confims our world exclusive

ONE OFF THE TERROR-WRIST: Bin Laden pleasured himself to some pretty specialist material

By SIMON DEAN
simon@sundaysport.co.uk

AUTHORITIES in America have confirmed for the first time that Osama Bin Laden DID have a stash of KINKY MIDGET PORN when he was killed by US troops.

The Al-Qaeda boss was blasted to hell by Navy SEALS after he was located at his hideout in Abbottabad, Pakistan, in 2011.

At the time, *Sunday Sport* reported that a "significant amount" of dwarf pornography had been found at the compound.

CIA and White House chiefs refused to confirm the porn story – until last week, when director of national intelligence James Clapper admitted for the first time that "some pornographic material" was contained in Bin Laden's recovered papers and personal effects.

Touchy

But the Yanks are REFUSING to release the material, on the grounds that the US government cannot be seen to be distributing pornography – especially midget porn.

An insider told *Sunday Sport*: "We have now published almost all of the documents that we found hidden away at Bin Laden's Abbottabad lair. However, the midget porn was just too much. It would inflame conservative opinion at home – and it probably wouldn't go down too well with fundamentalism Muslims either. You know how touchy those guys can be.

"We had to send one of our guys out the back of CIA headquarters in Langley to just burn all of that midget porn.

"But, once again, *Sunday Sport* was spot on with the original story."

Emma will soon be seen in a big-budget live-action version of the classic fairytale *Beauty and the Beast*.

One film critic said: "Emma has such a lovely little tinkle.

| I'd love to put the tip of my little finger in it. Though I don't suppose she'd let me."

Serial car w*nk pervert nabbed after TV exposé

A SERIAL masturbator who drove around NAKED while pulling his pud has been arrested.

Cops nicked Todd Albritton, 45, after mobile phone footage of him tugging was screened on a local TV station.

Allyson Duckworth snapped pictures and a video of him driving a black Mercedes with nothing on but a hat and sunglasses.

She said: "I felt certain that because of his behaviour, and what I witnessed that I was not the only person he had done this to."

After Allyson's video was screened, more women came forward to report they had also seen Albritton up to his antics in and around Memphis Tennessee.

He was charged with four counts of indecent exposure.

Ape thieves make monkey out of zoo

THIEVES broke into a zoo and kidnapped two families of endangered MONKEYS.

The simian-stealers avoided detection at the zoo in Beauval, central France, and made off with seven golden lion tamarins and 10 silver marmosets.

Zoo boss Rodolphe Delord said: "These are extremely rare, extremely fragile monkeys that are part of an international breeding programme.

"These thieves are experts – they knew exactly what to take."

GORE BLIMEY! THIS IS A PAIN IN THE NECK!

ONLY a Spaniard would be daft enough to ponce around in front of a two-ton bull wearing a sparkly costume from the mad imagination of a drug-crazed drag queen.

But bullfighting is a popular sport in Spain where the hot sun is not conducive to common sense.

Bizarrely, the greasy-haired rent boys who twirl in front of bulls still express their surprise when they get gored.

Jimenez Fortes (*above*) was competing at the San Isidro Bullfight Festival in Madrid when he was thrown from a bull and injured in the right hand side of his throat.

The 25-year-old from Malaga, who should be doing proper work – like serving Englishmen their cooked breakfasts and lager – walked out of the bullring with claret pumping out of his neck.

He was taken to hospital with serious injuries.

The bull was later made into handbags or something.

DEANO ON SUNDAY

White men can jump

A WOMAN called Bahar Mustafa, who revels in the title of Welfare and Diversity Officer at Goldsmiths University in London last week used the hashtag #killallwhitemen on her Twitter feed.

Bahar – who is quite pretty and could easily find a husband if she stopped all her student politics silliness – says that the hashtag was an "in-joke".

She explained: "These are in-jokes and ways that many people in the queer feminist community express ourselves – it's a way of reclaiming the power from the trauma many of us experience as queers, women, people of colour, who are on the receiving end of racism, misogyny and homophobia daily."

Bahar, luv, spouting a load of bollocks does not get you away from the fact that inciting violence against people on grounds of their ethnicity or gender is a criminal offence.

Just because you read *The Guardian* doesn't place you above the law.

The Great British MORON Contest!

HAVE I missed a new game show? Is there a new programme, maybe based on *The Great British Bake Off*, which aims to find the country's biggest moron?

Because there seems to be a headlong rush by many of this nation's people to declare: "I really am the most brainless f**kwit in Her Majesty's glittering realm."

Take what happened last weekend in the north east of England.

Three cows escaped from Rising Sun Country Park in North Tyneside. Two were rounded up relatively quickly but a third, called Bessie, was a harder nut to crack.

MILKING IT: Police reaction to escaped cow was mental

So Northumbria Police brought out the heavy guns. Literally.

A whopping 20 police cars, dozens of cops, SIX marksmen and – naturally – the force helicopter were all called in to round up this ONE COW.

My Dad used to get a couple of hundred cows into the milking parlour on his own – albeit with the help of our dogs Meg and Lady.

I doubt Northumbria have put on such a show since old Moaty went bananas up there.

As usually happens when the Dibble break out their shooters, it didn't end well.

Bessie got her head blown clean off.

You would have thought that the massive police over-reaction to a stray steer would have walked away with any award for utter stupidity.

Not a chance. There's always someone who'll go one better.

Local bunny-huggers have organised a candlelit vigil for poor Bessie.

That's Bessie. A cow. You know, them things that end up as beefburgers.

More than 7,000 people have already signed up to join the vigil.

For a cow.

This country invented steam engines, railways, the telephone, TV and the web. We discovered DNA and ruled a quarter of the world.

Now we live in a land where the police send death squads after cows – then sit in the gutter singing *Kumbaya* when they get shot.

A JUDGE has ruled that a Christian-run bakery discriminated against a gay customer by refusing to make a cake featuring Sesame Street characters Bert and Ernie with a pro-gay marriage slogan written in the icing.

Ashers Baking Company, based in Co Antrim, was taken to court by gay rights activist Gareth Lee.

Not long ago the people of Northern Ireland were chucking petrol bombs and removing each other's kneecaps.

Now they're squabbling over fairy cakes.

By any sane measure, that is progress.

THE other day I watched a film called *Kingsman*, starring Colin Firth and Michael Caine.

I mention that for no other reason than the screenplay was co-written by Jane Goldman (*left*), aka Mrs Jonathan Ross.

And any excuse to print a picture of her magnificent cleavage.

Spulch!

THE MAN WHO WOULD BE KING-SIZE: Charles and Camilla get guided tour – right past sheath

WHO LEFT A CONDOM ON CAMILLA'S BUSH?

Horror for Royals at Chelsea Flower Show

GARDENERS across Britain were being comforted last night after a used CONDOM was spotted at the Chelsea Flower Show.

Even worse, the flaccid sheath was spotted in a garden being inspected by Prince Charles and his delightful wife, the Duchess of Cornwall.

The nodder – which thankfully did NOT seem to contain any SPUNK – was hanging from the branch of a forsythia shrub which Charles and Camilla walked straight past.

It's not thought that the Royal party noticed the contraceptive and if they did, were too polite to mention it.

Last night an aghast Chelsea insider said: "In all the years of the Chelsea Flower Show, we've never had anything like this!

"The exhibitors go over their gardens with a fine tooth comb and it is inconceivable that they would have missed a nodder bag hanging from a tree in one of the gardens – especially with a Royal inspection in the offing.

"I can only conclude that this was deliberately placed there after security checks by activists for some shadowy cause – maybe they were republicans or anti-gardening agitators."

By SIMON DEAN
Royal Editor

Our source added: "This is not just an aesthetic thing either, there are safety considerations. A Chelsea pensioner could have easily choked on a stray condom left hanging around."

Charles and Camilla were not the only Royal visitors to Chelsea last Tuesday. Her Majesty the Queen – a keen and knowledgeable gardener herself – was on hand to view the magnificent exhibits at the Show.

And her grandson, Prince Harry, proudly showed off an African-themed garden which he helped design.

CRATE ESCAPE: Noel Mitchell dodged jail

By BRAD CHADWICK news@sundaysport.co.uk

A MAN stood on a MILK CRATE to have sex with a HORSE, a court heard.

But, even though this was Noel Mitchell's SECOND bestiality conviction in just over two years, he walked free from court.

Mitchell, 67, escaped jail in March 2013 when he was convicted of bestiality in Melbourne Magistrates' Court, Australia, and released with a community order.

But he reoffended about nine months later when he was spotted having sex with a pony in a field in January last year.

A concerned neighbour filmed the pervert attempting to shag the small horse while stood on a milk crate *(right)*.

Disturbed

Judge Justice Lance Pilgrim condemned the authorities for failing to support the deeply disturbed offender after his first conviction.

Sentencing Mitchell, Justice Pilgrim urged probation officers to thoroughly read two psychiatric reports on Mitchell and then act accordingly. Mitchell has apologised to the community and to his estranged wife through his lawyer.

He told the court he was deeply embarrassed and ashamed of his behaviour.

CLOWNING AROUND

A MAN has been accused of cracking one off aboard a bus while watching CLOWN PORN on his mobile phone, police in New Jersey said.

SHIT HITS THE FAN

A 55-YEAR-OLD man, who made a booby trap filled with MANURE, was arrested after the device exploded and showered a police officer in Mölltal, Austria.

Teary girls weeping at 'crying' hotel deal

THE crazy folk from Japan have come up with their wildest idea yet – CRYING ROOMS!

They are being fitted in hotels across the land that brought us soiled panties in vending machines and railway frotting carriages.

The rooms come complete with soft tissues to "gently wipe away tears" and prevent puffiness, warm eye masks, make-up remover and a selection of tear-jerking films.

The "crying rooms" at the Mitsui Garden Yotsuya Hotel in the Shinjuku area of Tokyo aim to help women combat stress.

The 12 films available in the rooms have been carefully chosen to "tug at the heartstrings" and include *Forrest Gump*, starring Tom Hanks.

Guests can also read from a collection of tear-inducing manga comic books.

The tissues are said to be as "soft as cashmere", while warm sheets are provided for added comfort and warmth around the neck, according to *Excite*, a Japanese e-magazine.

A room can be booked at 10,000 yen per day (around £55) during a promotion, available until August 31.

MAD MAX BABES' BARE BULLETS

By BARNEY SAMUELS
news@sundaysport.co.uk

LONG ago, before he became a drunken Jewbaiter, Mel Gibson was an actor who appeared in the iconic post-apocalyptic movie *Mad Max*.

Now the 1979 cult movie has been rebooted with Tom Hardy taking the Max role and a host of Hollywood hotties and supermodels in the female roles.

Mad Max: Fury Road is being talked about as one of the year's top movies and is likely to keep that accolade until the release of the new *Star Wars* flick in December.

To celebrate the film's release, here are the female leads – with their KNOCKERS out...

MICA'S BRIDGE OF... SIGHS!

ADVENTUROUS bonker Mica Martinez once romped in a car under a London bridge!

Opening up about her public bonk, the 32D stunna said: "There were loads of taxis and cars driving past.

"People could see in and the fear of being caught was a real turn-on."

Mica, from trendy Shoreditch, east London, hates a wasted night between the sheets.

The 23-year-old babe said: "Imagine if you got a bloke all the way home and he was shit in bed. That's time I'll never get back!"

STUDENTS TALK SEX!

POLLY JENSON
AGE: 19
FROM: Stratford
STUDYING: Veterinary Nursing
UNIVERSITY: Royal Veterinary College
FAVE FOOD: Chicken chow mein
FAVE DRINK: Cider
FAVE FILM: *The Life Of Pi*
FAVE ACTOR: Colin Firth

LIN SANDANI
AGE: 19
FROM: Bury St Edmonds
STUDYING: Biological sciences
UNIVERSITY: Royal Veterinary College
FAVE FOOD: Thai curry
FAVE DRINK: White wine
FAVE FILM: *The Social Network*
FAVE ACTOR: Jesse Eisenberg

FIRST TIME

POLLY: It was with one of my boy mates at a party. We were really drunk and we kissed. Then things led on from that. He was my best mate at the time, but not now.
LIN: Is it because you had sex?
POLLY: Perhaps. After we had sex it was really awkward. The sex wasn't even that good – it w as more fumbling than anything else. I think it was in the parents' bedroom.
LIN: Mine was with one of my brother's friends. He had come round to see my brother but he wasn't in. We were both sat on the settee and he kissed me. Then we had sex and it was good sex.

SEX TOYS

POLLY: I've got a nice Rampant Rabbit.
LIN: Do you let your boyfriend use it on you?
POLLY: Yes, I use it when I'm with my boyfriend or on my own. I really like using them. It's not as good as a guy but it sorts you out when he's not around.
LIN: I use sex toys quite a lot. I use lubricant which tingles and makes the sex good. I've not got a vibrator but I've got an electric toothbrush.
POLLY: I know someone who got caught using her electric toothbrush!

WILLY SIZE

LIN: It has to be wide. If it's not thick enough, I'll dump him.
POLLY: It doesn't have to be too big but they have to know what to do with it. It is better big because you can feel it more. I had a small willy and it was shit. It didn't touch the sides.
LIN: Well, what size is OK?
POLLY: I want at least seven inches.
LIN: Seven inches! That's massive. Six is plenty big enough.

DRESSING UP

POLLY: I love to wear knee-length boots or stilettos. I love to keep them on while having sex. I've dressed up as a schoolgirl as well. The guys seem to like it. It makes the sex better when they're more excited.
LIN: I've dressed up as a policewoman with handcuffs and a baton. My boyfriend put the handcuffs and baton to good use. He handcuffed me to the bed so I was completely at his mercy. That was a REALLY good night!

SPIT OR SWALLOW

POLLY: I like playing and teasing with boys and they love it. I tease them by giving blowjobs. I do swallow because if you don't, it breaks the flow. Plus, it's better than making a mess. When I'm playing with his balls it makes him come quicker. Guys love that.
LIN: I just swallow. I reckons guys prefer it and it really turns them on. It finishes the job off – and it's much sexier to swallow.

THREESOMES

POLLY: I've had one. It was with two guys as I wouldn't want to share a fella with another girl. I'm too selfish – I want all the attention myself. I had one guy at either side pleasing me.
It was a really good experience. Both lads focused on me and I managed to keep them both entertained. I would definitely have one again, it was great fun.
LIN: I've not had a threesome but I would like to. It's definitely something I'd like to try. I'd want to know the guy, but I wouldn't want to know the girl. I couldn't do it with a boyfriend, though. It's something I'm looking forward to doing.

BUM FUN

POLLY: I would be prepared to give it a go, but not at the moment. I'd only do it if I was in a long-term relationship and he wanted to try it. I would have to trust him enough for him to stop when I said so.
LIN: I've done it but it didn't work. I didn't like it. It was painful and it didn't turn me on one bit.
POLLY: Would you do it again?
LIN: I think I would, but it would have to be with someone who had a small penis!

FAVE POSITION

POLLY: I like it with my legs up behind my head. It feels much deeper.
LIN: That sounds good.
POLLY: It is – it's the only position that I orgasm in.

OUTDOOR SEX

POLLY: I've done it in a car park.
LIN: In a car?
POLLY: No, just in a car park. There were cameras in there and the security guards saw us. They came rushing over and told us to clear off.
It was embarrassing at the time but we laughed about it afterwards. We'd only gone for a quick walk and we ended up getting caught having sex.
LIN: I had sex at a beach party in Thailand. It was when I took a year out travelling. It was a hot night and the drink was flowing. By the end of the night we were quite drunk and ended up in the sea having sex.
POLLY: In front of everyone?
LIN: Everyone was pretty wasted so no one would have even noticed.

FAKING IT

POLLY: I fake it so that they don't feel inadequate. They can get so hurt and upset, bless them. And if you keep their confidence high, they'll generally get better. Then you won't have to fake it, fingers crossed. But if you do, they're out.
LIN: I've faked it, but my reasons are a bit different. At first I didn't know how to experience an orgasm. It took me a while to know what an orgasm felt like. But now if I don't orgasm, I don't fake it.
I don't mind not having an orgasm every time because the sex is still good. I like to know I'm giving my partner pleasure.

'He handcuffed me to the bed – I was at his mercy'

TODAY

Horror Channel, 1.05am, Cherry Tree Lane – Rachael Blake is tied up and gagged – and totally nude – at 1hr 7mins. Some may say that a naked woman who cannot talk is close to ideal, but they would be evil misogynists.
Movie Mix, 11pm, Dragon Eyes – Sari Cummings will have you, er, cumming at 52 minutes where her lovely breasticles are flopping about during a fight scene.
C4, 9pm, Trance – WONDERFUL boobs and minge display from the gorgeous Rosario Dawson *(below)* starting at 53 minutes and continuing for long enough to drain yer steaming spuds several times.

TOMORROW

True Entertainment, 1am, View of Terror – My extensive research shows that Ingrid Falaise goes nude in this thriller, though no timings, I fear.
Horror Channel, 9pm, Cabin Fever – Cerina Vincent pops her charlies out at 13 minutes and there's more boobage throughout.
Film4, 11pm, Mr Nice – Katie Deery provides boobs, bush and even a little light lesbian action at 11 minutes in this flick about drug dealer Howard Marks.

TUESDAY

BBC4, 9pm, We Need To Talk About Kevin – Boobs and arsebiscuits from Tilda Swinton at the 14-minute mark.
Horror Channel, 10.45pm, 2001 Maniacs – Absolutely crammed with knockers. Christa Campbell at 35 minutes is worth looking at.

Film4, 1.05am, The Principles of Lust – You know by the title that this is one of those low-rent soft porn flicks with plenty of nudity. And you'd be right. Look out for the Lara Clifton pub strip and see exactly where the axe fell at six minutes.

WEDNESDAY

BBC1, 11.45pm, Jagged Edge – Glenn Close shows left boob at 46 minutes during a bed show. You'll need to squint, mind, as it's a bit dark.
More4, 9pm, Elizabeth – You can't see Fanny Ardant's fanny – but you can see her teats. Unfortunately, her character's dead.
Movie Mix, 11.20pm, Layer Cake – Glorious bit of side-tit from Sienna Miller just before 50 minutes.

THURSDAY

C4, 10pm, Seven Psychopaths – Christine Marzano plays a hooker who wanders around in high heels and panties at 20 minutes. All the hookers I know do not provide this service. They merely run talc on me bellend and tug away.
Film4, 9pm, Bullet To The Head – Sarah Shahi shows off her chest puppies at 56 minutes.
Movie Mix, 2.10am, Hollow Man 2 – Zara Taylor shows a fine pair of breasts 18 minutes into this witless sequel.

FRIDAY

ITV, 10.45pm, Miami Vice – Naomi Harris's character is in the shower showing teat at 27 minutes *(below)*. There's some suggestion it's a body double, but who cares?

C4, 12.15am, Notorious – Wonderful nudity in a frankly athletic sex scene at 29 minutes. Naturi Naughton, who plays Lil' Kim, is the one to thank.
5*, 9pm, Hansel and Gretel: Witch Hunters – Pihla Viitala shows her bum and a bit of boob as she clambers out of a creek after a skinny dip at 45 minutes.

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience of our own Agony Angels! This week Charlotte Narni has been reading your letters. Here's her advice...

Dear Charlotte,

AS a sales rep for a big company I spend a lot of time on the road – and too many nights away from my missus.

I always stay in decent hotels and until recently I had never cheated on her.

But the other day I got talking to a very sophisticated blonde, flashing just the right amount of cleavage at the hotel bar.

We had a few drinks and got on so well we ended up in my room – after she suggested we take a bottle of wine upstairs with us to "carry on chatting".

But after she poured us both just one small glass of vino, she was on me like a rat up a drainpipe!

She had clearly done this sort of caper before and took the lead.

First she peeled off her top to let me tweak her stiff nipples.

Then I slipped my hand inside her wet panties and she pulled out my throbbing cock.

Next we went over to the bed and I slipped her damp knickers down, stuffing my tongue up her dripping minge as I did.

Then she grabbed my pulsating whanger, bent over and guided me into her love-box from behind.

I banged her daft – front and back – before shooting my wad over her pert bum-cheeks.

After she left, though, I found her business card – and noticed she works for an escort agency.

So not only did I cheat on the wife but I did it with a whore – who didn't charge me!

What's that all about?

DF, East Sussex

Charlotte says...

PUT it down as a freebie and treat your wife to a nice night out on the money that you saved yourself.

FRIDAY FRANCOME

THE GREATEST JOCKEY'S EXCLUSIVE Weekend Sport COLUMN

NUTTER: Poet (red silks)

POET THE PICK

WHEN you finish your Friday and you want a bit of a chill what do you do?

I don't drink. Honest.

I turn to the sports channel and have a little bet.

Not big stakes because it isn't the winning, it's the taking part.

But bloody hell. I think Only Fools And Horses wins tonight.

And I've seen it.

So to keep boredom at bay I will bore you with a tale about a horse I own.

Poet. Won't run until next March.

If ever there was a monster more poorly named...

Attila The Hun would have been less aptly-named.

The bloody thing is evil.

It is actually a very talented miler.

Goodwood's Celebration Mile was the race I had in mind for him when I first saw him stride across the gallops and handed my tenant Clive Cox a cheque for ... well that's our business but it has a 20 in it.

What was the first thing the f**ker did? Bit me.

Hard on the hand.

Not sure I am repaired yet and I have fought shy of approaching the pig again.

But since then, at first lot, I have seen him pin a young, terrified stable lad to the floor and then kneel on him. Normal horses do not do that.

My old boss Fred Winter, utter hero, kept some nutcase horses.

The brilliant Crisp was far from the easiest.

But Poet kneeled on this kid and stared at him with evil intent.

Believe me that horse is nasty, aggressive and I'm too old to sit on it but remember the name. It will win a decent race, probably at a fair price, when it finally sorts its head out.

I dread to think what might have happened to David if four of us had not been hanging around waiting for the daughter to haul herself into her mini and go to school. So we had time to help him out.

She is 18 so we are allowed. It is known as the Lambourn School Run.

Friday morning...for some reason short-skirt day. Everyone rides like a bloody demon to get off the gallops to watch the poppet get in her car.

Yet pleasant though the experience may be it won't make us any money.

Unless? Behave yourself John.

Tomorrow, and I must declare an interest because of the Injured Jockeys' Fund, but there is a fab card at Haydock. It's Jack Berry day.

WHISTLER: Fallon

Whistler

Clive fancies Fruity to win the handicap at 2.35 but he fancies everything that steps into the horse box.

But half an hour or so later I like the look of GATHERING POWER under the whistler Kieren Fallon.

His form figures do not strike the eye immediately but he drops in grade today and has the aid of the maestro.

Finally, my mate and his wife bought a new computer.

They did the software bit and had to enter a password.

So my pal put MYPENIS.

Within moments Sharon fell about laughing on the floor.

The computer screen read... not long enough.

Be lucky!

DERBY BID: Golden Horn

Boys in Blue make move to buy Jack

By MIKE FRANCIS

GODOLPHIN have made their latest attempt to buy a Derby winner by taking a stake in hot prospect Jack Hobbs.

The three-year-old was trading at the head of the Epsom betting before being turned over by stablemate Golden Horn at York last week.

That colt needs to be supplemented for the Derby but connections are expected to cough up the £75,000 needed to buy him into the biggest race of the Flat season.

Even though he lost on the Knavesmire, Jack Hobbs is still expected to line up, although he was added to the Irish Derby field at a more reasonable price of 12,500 euros this week.

Sheikh Mohammed is the man writing the cheques for Godolphin and his bloodstock man John Ferguson said: "Jack Hobbs has run just three times and has shown remarkable progression.

"John Gosden, who also trained his sire Halling for us, has a high opinion of the colt. He has loads of scope and class and looks like the kind of horse that will only improve with age.

"The possibilities for him are the Derby, the King Edward VII Stakes and the Irish Derby.

Order

"I believe he's got an exciting future."

Gosden says there shouldn't be a problem in stumping up the cash for Golden Horn to run at Epsom. He added: "We will go ahead and supplement the horse.

"Obviously, we don't do that until five days before the race so, as long as everything's all right then and everything's in order, we are planning to run the horse."

The trainer has a fair record in the big race with several horses hitting the frame – but it's 18 years since he won it with Benny The Dip.

And Gosden says Golden Horn is the best horse he's ever sent to Epsom.

"He's learned, he's just come on, he's only had three runs but his last piece of work was superb. He's mentally clicked to it and he ran like it at York. He relaxed, as well.

"He's a handy horse, he's well-balanced, so he suits the race, really. As long as he switches off, he should get the trip well."

BOOKIE BASHER

OUR SPORTS BETTING GURU WILL PUT YOU ON A WINNER!

RYAN MIGHTY: Southend star Leonard

It's all gone South

I THINK it was by The Easybeats.

Maybe wrong but as you get older your mind turns in to one of those porous things, you know, oh I forget....

Sieves!! Them's the fellas.

But Friday On My Mind, that's the tune we are thinking of and frigging hell, there isn't much to turn your mind to today.

Wednesday wasn't too awful. There was Arsenal against the Wearside lads.

Know what I watched on telly last night only because my kids had it on earlier? Scooby f**king Doo.

And the guy would have got the ski lodge if it wasn't for them meddling kids.

The world's greatest punk poet Nigel Blackwell (sorry John Cooper Clarke, loved you too once), out of Half Man Half Biscuit, once wrote — on the beautifully titled piss-take of the Beatles album Back Again In The DHSS — there is nothing better in life than writing on the sole of your slipper with a biro. Come on. We have all done it. OK he ruined it a bit by adding 'on a Saturday in Manchester and going down the pub?'

Behave yourself Nige!

But there is nothing better in life than writing on the sole of your slipper with a biro, tonight.

Tonight I thought I might take out that self-help, fitness movie-style video, quite recent, Pilates of The Caribbean.

Cos this has to be the worst Friday for us punting fans ever. The top end of televised sport? Reading Women versus Millwall Lionesses. Even if you use your most twisted imagination, you wouldn't pay your Sky bill to watch that. Would you? Even after the watershed.

Blackwell

ESSEX BOYS LOOK BEST BETS AT 13/8

Saturday is the none-est of none events cos all the Prem fixtures are on Sunday.

So I will spoil you with a joke.

I still enjoy sex even at 51. Be fair, I live at 49 so it isn't that far to walk.

But the best we can offer you from the Basher stables this weekend is tomorrow's League Two play-off between Southend and Wycombe Wanderers.

The latter are as weird as a box of frogs. They led Plymouth 3-0 in the last tie before surrendering two goals. If Drake was that fragile down the south coast we would all be drinking Rioja.

Don't mind if I do actually, make mine a large one.

So we favour Southend tomorrow.

It's a close call, admittedly.

Both sides have near-identical recent records having lost only one of their last five.

But at the odds United at 13/8 against is surely better than Wanderers at 19/10? With home advantage? The draw is 12/5. Nah, the Southend fellas for us at them prices.

By the way it is Eurovision Song Contest weekend. We are 150/1 at best but even that is a rip off. Nobody likes us, we don't care.

But do you realise who is 8/1 third-favourite? Aus-frigging-stralia. If that isn't a surplus S. Which it is. Now, I admit I missed my degree in geography, but for Heaven's sake.

BET: Southend (13/8)

POSTBAG CAN DELIVER GLORIOUS PROFITS

GOODWOOD takes centre stage on Friday and if there is a more beautiful racecourse I have no idea what it is called.

Okay I do. It's called Cartmel in wonderful Cumberland.

But Goodwood comes a majestic second.

There is a nice card down in Sussex today. They have some tricky handicaps which are always fun.

And a Listed race. But the fillies' handicaps are where the money lies. Believe me, they are easier to nail than a horny bridesmaid.

Once girly horses start winning they find it tough to stop. Especially as three-year-olds.

Which makes the 3.25 race the one to focus upon.

The Goodwood Aero Club Fillies' Handicap. For three-year-olds. I can't stop wondering if this race was named by fellas who like flying or women who like bars of minty chocolate. But that's by the by.

TOP RIDE: O'Neill

Four of the 10 in the line-up won last time out.

Zoella, Luna Moon and Royal Silk all won on synthetic surfaces. That doesn't rule them out but we will go with POSTBAG to deliver.

Henry Candy doesn't have so many horses these days but, fittingly for Goodwood, the ones he does can motor a bit.

She only had a short-head to spare when winning at Leicester but Dane O'Neill gave her a canny ride.

He is back on top today and her electric speed figures make her the envy of this field.

BET: 2pts win POSTBAG (3.25 Goodwood).

DOG LEADS BY MICK LIVESEY

AERO'S A TASTY BET

WE head to Romford tonight and I'm chasing my NINTH winning NAP from the last 10 selections — I'm going for Aero Liberty in the puppy contest.

I tipped him last week and he duly obliged. Tonight's race dare I say it 'looks easier' so he is a confident selection.

He will lead barring any accidents and once he does it will all be over with. This puppy can go right to the top echelons of the sport and I will be amazed if we don't see him on Sky Sports any time soon.

Laughing Gravy got turned over last week by Dower Matt, they meet again tonight but I'm calling for Laughing Gravy to reverse that form.

I'm a huge fan of David Pruhs trained runner who won the 2014 Romford Puppy Cup.

He can trap much better tonight and should take all the beating.

Borna Karma will always have a special place in my heart (she landed me a 10th winning NAP in a row last year) but this is no sentimental tip.

She's been knocking on the door and even though some big name entries against her all that will do is enhance her price.

She is due a real ping break and I've a feeling that will come tonight.

The greyhound Derby starts next week and what an offer from Betfred and Totesport — If your selection goes through the Derby unbeaten they will double your odds. My advice is go and have a few quid on Newinn Yolo at 33/1 — he could land you a 66/1 punt!

NOW HERE'S MICK ON TODAY'S ACTION

THE live RPGTV coverage tonight comes from Henlow with the first race kicking off at 18.30. It looks a decent card with a mix of Open and Graded Races for us to attack.

Martin On Faya went in my notebook recently when he looked super impressive in a trial clocking 27.69. This son of Westmead Scolari looks to have enough about him to win a Maiden and he gets the NAP vote.

Two brothers Savana Mark and Savana Fatboy can both win tonight. They both have fantastic early-pace and can make every metre a winning one.

The 550m Maiden interests me with the early-paced Coal Porter. Previously this greyhound had been very impressive in the 460m events and only just ran out of steam over the 550m. The time though was decent and I'm taking Coal Porter to see it out tonight. It will get nerve wrecking close home but the line can come in time just.

Fivestar Clipper is always worth a second glance and if he comes away in his best fashion tonight he will take some holding from his beloved six berth.

HENLOW BEST BETS

NAP - T3 Martin On Faya 20.00
NB - T1 Savana Mark 20.30
TREBLE - T3 Savana Fatboy 20.43
YANKEE - T3 Coal Porter 21.11
SUPER YANKEE - T6 Fivestar Clipper 21.24

NOTTINGHAM MONDAY

Some nice open-races at Nottingham on Monday live on BAGS/SIS.

The NAP of the night must be Blissful Kate for Pat Rosney in the Betfred Maiden Final. She looks a serious prospect and her early-pace is mind blowing, if she dips under 5.00 again here she will leave them for dead. When you look at her with that much early you wonder if she stays but there are no stamina doubts over 500m because she is proven over further.

Pennys Rock ticks all the right boxes for me in the Puppy Open, this son of Daves Mentor can really roar to the bend and that's always a handy trait to have.

Vatican Gurkha has been moving well in trials and although I'm not convinced he really wants the red jacket he can trap out best and move more middle. If he does then it will be game over and Pat Rosney will be heading to the podium once more.

BEST BETS

NAP - T2 Blissful Kate 21.22
NB - T4 Pennys Rock 20.04
TREBLE - T1 Vatican Gurkha 20.19

IT'S MERV PAYNE WITH A FAN'S VIEW OF THE FOOTIE WEEK

Yawnfest is finally all over

FORGET 'boring Chelsea', the whole season from the top of the Premier League to the bottom of League Two has been pretty forgettable hasn't it?

It doesn't help that the powers that be decided it would be a good idea for the League programme to finish weeks before the top flight.

I'm sure the intention was for it all to dovetail nicely with the play off finals played on the final Prem weekend and then the FA Cup final nicely placed at the end as God intended.

The risk with that was if the title was sewn up well before then end we'd be subjected to a couple of weeks of dead rubbers – which is what we got.

Even the 'fight for fourth place' died a death and the relegation places were pretty much done and dusted last week too.

In the reliable Championship, we were promised a nail-biting race for the top two going right down to the wire.

In the end Watford and Bournemouth had it all taken care of without having to rely on the last day lottery.

It was even worse at the other end where the bottom three didn't change for the last three months. Bristol City and Burton strolled to their League One and Two titles and we didn't even have the drama of half a dozen teams scrapping for their league lives at the basement.

BORE: One fan can't cope with all the excitement

Having said that, you can bet Sky Sports will still manage to make a montage out of it all that kids you it was another great season. The only thing that can save this season now is a nine goal thriller in the Championship play-off final.

When are the fixtures out for next season?

DICK SHOULD PULL OUT!

I WOULDN'T blame the Sunderland manager for quitting while he's ahead.

If you look at the record of his two predecessors Paolo Di Canio and Gus Poyet, who had a successful start only for things to quickly go pear-shaped and suffer the wrath of the fans before getting sacked, Dick Advocaat would be well advised to walk away now.

After all, do we really want to hear 40,000 Wearsiders shouting 'Dick oot' in six months?

TOP JOB: Advocaat

MERV'S FACT HUNT

LAST week I asked: Which three managers won the Inter-Cities Fairs Cup with English clubs? The answer was: Don Revie (Leeds United 1967-68 & 1970-71), Joe Harvey (Newcastle United 1968-69) and Bertie Mee (Arsenal 1969-70). This week's teaser is: Which was the only nine-goal Premier League match during season 2014-15? Answer next week...

NO SENSE: Chelsea's odds today

Time to get stuck into a whopper

IT'S gonna be a long, hot summer and we are not happy about it.

There is no footy to bet on until August after today.

No European Championships; no World Cup. So my friends we are going down in a blaze of glory with today's last hurrah on the Prem.

I have been known to be fond of the odd troublesome American but we are raising our sights northwards today and taking aim at a Canadian.

There are 10 games so surely we can predict the outcome of half of them?

We will start in alphabetical order and Arsenal v West Brom.

The layers don't make sense here. Arsenal have ripped up no trees recently but they are generally 1/3 faves. The Baggies spoiled Jose Mourinho's end-of-season with a 3-0 drubbing last time out yet you can find plenty of 8/1 about them. That seems a touch twisted.

So why not the draw at 4/1? I mean you are winning from the second they kick off.

Aston Villa face Burnley and while doomed sides can experience post-drop euphoria, the Villans are on a roll and it's tough to believe you can get odds against (11/10).

AXE TO GRIND: Big Sam

Topple

We will duck Chelsea v Sunderland (odds do not make sense) and Crystal Palace v Sunderland (no offence lads but trying hard to care less).

But we do fancy Everton at 7/5 to topple Tottenham.

Spurs haven't looked interested lately and the Goodison faithful will demand a rousing farewell to what has been a miserable season. The Toffees can put a foot in at home.

Hull v the Mancs is the most interesting game of the day but it looks dangerous to take a financial opinion. It could go either way.

For Leicester v QPR we would side with the Foxes but not at 8/13. That is way too anorexic. Even though it is only 4/7 on offer we do fancy a bit of Manchester City to sink the Saints at home.

The blues are pretty formidable at the Etihad and the South coast boys seem to have set sail for the Summer.

Two left and we fancy these. Newcastle are not just a car crash, they are a car crash in the mirror. From memory.

Allardyce has an axe to grind so 19/5 about West Ham is a steal. (Nearly four to bloody one).

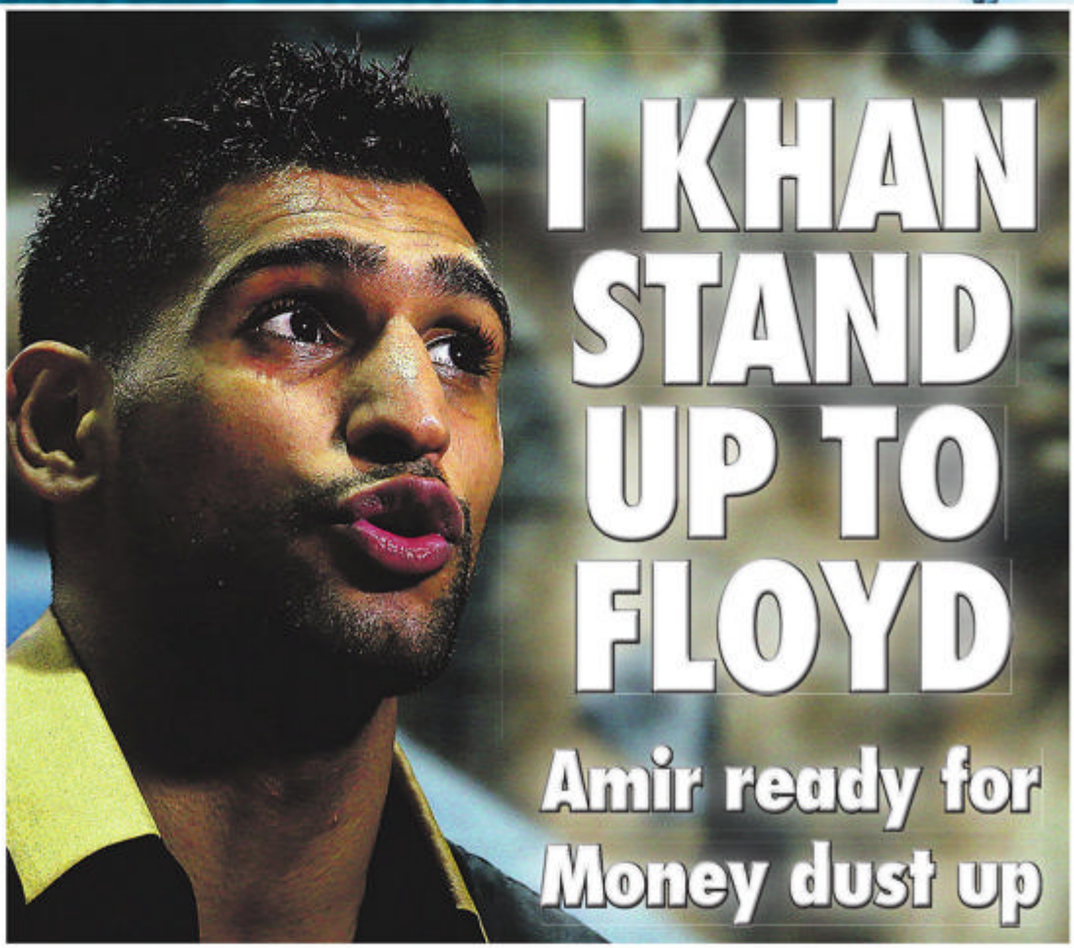
Finally, Liverpool boss Brendan Rodgers is being taken to the cleaners by his ex-missus.

We think Stoke City will deliver similar medicine at 13/5 but we will leave that alone. The Kop lads occasionally do themselves justice.

BET: 1pt Canadian: Arse v Baggies draw; Aston Villa; Everton; Man City: West Ham. For 26 nicker if all goes well we pick up £926. Or £92 for £2.60. Happy Bank Holiday!

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN



I KHAN STAND UP TO FLOYD

Amir ready for Money dust up

AMIR KHAN is preparing to audition for the role of Floyd Mayweather's next opponent.

He is hellbent on showing that Britain's Got Talent in the boxing ring when he faces Chris Algieri, here in New York on Friday night.

Bolton's welterweight star believes that will finally land Mayweather in September, but first he must impress at Brooklyn's Barclays Center.

Khan, 28, said: "I know interest in a Mayweather fight is there but I have to get past Algieri.

"If it is bad performance against Algieri then I don't think it can happen, but if it's very good it has to happen.

"That is why this fight is so important and I have to look good."

Khan was in brilliant form last year beating Luis Collazo and Devon Alexander when he last boxed in December, but fears that another sizzling performance may scare the world's top fighter.

Concerned Khan told Lillo's Ringpiece: "Mayweather could fight someone else for the same kind of money as he will get for boxing me.

"Even if this performance is good he might say to himself; "Do I need this fight?' It is my last fight, why should I make it a hard fight. I get paid regardless'.

"Sometimes you can scare opponents off, but I cant even think of Mayweather. All my focus is on Algieri." Khan and Mayweather are both advised by mysterious American power broker Al Haymon who is rarely seen in public but expects talks to begin after this week's 12-rounder.

Khan added: "I have the same team as Floyd and they have most probably thought lets leave Amir until after this fight and then we can sit down and talk."

Floored

The Brit has sparred 250 rounds for Algieri who showed incredible courage when he beat Russian hard nut Ruslan Provodnikov last June and then lasted 12 rounds against Manny Pacquiao in November.

Algieri, 31, was floored six times before losing on points to Filipino Pacman, the New Yorker's only setback in 21 professional battles.

"He is a very tricky opponent, but he couldn't handle Manny's southpaw style, quick feet and quick hands," said Khan

"We have different styles, but mine will give him problems.

"He has never faced anyone like me when it comes to explosiveness, speed, movement, height, reach and power.

"Manny put him down six times, but if I see him hurt then I will put him away."

HE'S GAVIN A GO

FRANKIE GAVIN is ready to ruin hopes of a monster domestic fight between Amir Khan and Kell Brook.

The Brummie challenges Brook for his IBF welterweight crown in London on Saturday, but has been given little hope.

Plenty of fans believe Brook is marking time before facing Khan next year, but Gavin said: "He wants to be in the big fights to keep his name out there and get it mentioned alongside those fighters.

"There is not as much pressure on me this time around, especially as there are a lot of people saying I am going to get battered.

"But I put pressure on myself to perform.

"I want to be world champion and I seriously believe I will be world champion."

HAIR WE GO UP AT WEMBLEY

Preston North End v Swindon Town

Sunday, 5.30pm – live on Sky Sports 1

TAKE one on the chin son! Preston North End's John Welsh has grown the most God-awful face-fuzz.

But he insists it is lucky. And he has hanging on to the bum fluff ahead of today's League One play-off final against Swindon Town.

The former Liverpool, Hull City and Tranmere Rovers ace has a reason.

Last time he took a Gillette Mach Three to his gob, Preston were beaten in the play-off semi-final against Rotherham.

Welsh said: "Tons of people do not like it but the beard stays.

"The reason being I shaved it last year against Rotherham and obviously what happened, happened.

"It's bugging me now really, it's doing my head in at the minute but it's got to stay until we get promoted."

Welsh has been at Deepdale since 2012 and was part of the Lilywhites team that beat Swindon 3-0 a month ago with striker Joe Garner scoring a hat-trick.

But he is aware of Preston's, ahem, less-than perfect record in play-offs.

PREPARED: Neil

Pitiful

Between 1989 and now the Deepdalers have fetched up in nine different clashes. They have lost the lot.

Preston could have gone up automatically on the last day but were pitiful losing at Colchester United.

Welsh confessed the air of depression was tangible after that defeat.

He said: "Coming back on the coach I don't think anyone spoke more than two words to each other."

Town boss Mark Cooper is playing down his team's expectations.

But they put the Blades of Sheffield United to the sword in the eliminator and are nobody's mugs.

Cooper is at it again. He said last night: "I don't think there is any expectation on us, Preston are the big favourites." He added: "They have the most pressure on as a bigger club which demands a level of success.

"Whereas for us it is a remarkable achievement and we want to go and finish it off.

"There's no pressure on us, none at all.

We're just going to go and show everybody what we're about, to perform on the day.

"I'm feeling good, looking forward to the game.

"Of course we're excited, a little bit anxious, it's looming large now and it's going to be on us before we know it.

"It's a real young squad, we've only got Andy Williams and Sam Ricketts with any experience and the rest are complete babies.

"Sometimes that can be a good thing – that they're not worried too much about it.

"With this group I don't see them worrying about anything."

DOUBTFUL: Bamford

BORO AND NORWICH IN £150m FIGHT

THE Boro play the East Anglians in the biggest game of any season.

United v Liverpool; Arsenal v Tottenham; Celtic v Rangers; Barca v Real — they are all insignificant in comparison to this game whose outcome means untold millions in cash to admittedly aspirant clubs.

I say untold millions but the general figure put on it is £150m.

It means even more to their fans. The people who really pay the bills.

Boro and City followers alike will have their AA maps out now and planning trips (promise, no offence lads) not to destinations like Huddersfield, Burnley, Reading, Brighton. Fine clubs, one and all, no doubt about that.

But both sets are now casting eyes at Old Trafford, Emirates, Etihad, Goodison, Anfield and the rest.

But right now those lads are off down the cash point to grab enough Wonga (sorry, Newcastle) for the beer, the fags, the train, a couple of pies and most importantly dreams.

For this game is the stuff of dreams.

Problem

And today's encounter is Disneyland to teams like Middlesbrough and Norwich City.

Boro have one massive injury problem to contend with.

The Chelsea loanee Patrick Bamford faces a race against time to be fit for Wembley.

If Bamford is not fit to lead the line — and Boro brushed off Brentford in the semis without him — Enrique Garcia Martinez known a Kike (Lord knows why) to the fans will take the pot shots at the Canaries.

City boss Alex Neil is praising his side's "bottle" ahead of the showdown.

The former Hamilton boss watched his side collect a man advantage after Ipswich Town lost Christophe Berra in the semi but maintained they still had work to do.

Neil said: "Actually, it takes extra bottle in those situations.

"Everyone expects you to roll sides over but it never happens that way.

"Ultimately we got there and I was proud of the players.

"I've watched Boro's play-off games and although they do have a similar style in nearly all of the games I think in the one against us, in particular, they adopted a different approach.

"I have watched Boro enough now, I know what they are capable of and what we are capable of doing. 90pc of the planning is already done, it is tweaking the 10pc that can make the difference."

Stick a quid on Hull to drop... win 16p

BRUCIE BONUS: You won't get very rich backing his boys to get relegated

IT LOOKS TOUGH FOR TIGERS

HULL are 1/6 to be playing Championship football next term ahead of the visit of Manchester United to the KC Stadium this afternoon.

The Tigers have yet to win a Premier League game in the month of May and if they don't buck that trend they are doomed.

United are 5/4 to take all three points and they have a perfect record against Hull in the PL winning all seven previous encounters and averaging three goals a game in the process.

Steve Bruce has never coached a winning side in 20 previous attempts against his former club so it would be fair to say that the stats suggest 12/5 Hull have a mountain to climb.

Sam Allardyce takes his West Ham side to St James's Park and everything points to this being his last game in charge of the Irons; with reports in Spain suggesting Rafa Benitez is being lined up to take over at the Bernabeu.

Slaven Bilic, who confirmed he would be leaving Besiktas at the end of the campaign earlier in the week, has been very well supported at BetVictor to be the next manager of the Hammers and is 6/4 (from 5/1 earlier in the week).

The Magpies, one point from their last 30, are 4/5 to beat West Ham with the draw 3s and the Irons 7/2.

Steve McClaren is back to odds on for the St James's Park hotseat although David Moyes has been well backed in recent days and is 4/1.

One thing's for sure we are in interesting summer and the managerial merry-go-round might start as soon as the curtain is brought down on the 2015/16 PL season.

Aston Villa will be keen to exorcise last weekend's hiding at the hands of Southampton and they are a confident selection at 11/10 to beat a Burnley side who are fighting to avoid the wooden spoon.

Impressive

Burnley and QPR are locked together on 26 points with the Clarets having a one goal superior goal difference.

Rangers are 6/4 to finish bottom of the table with Burnley on 1/2.

A wonderful card at the Curragh this afternoon with Giovanni Canaletto making a belated seasonal debut for Ballydoyle in the Group 3 Gallinule Stakes over 1m2f.

The selection is a brother of former Derby winner Ruler Of The World and is currently 14/1 at BetVictor for classic glory at Epsom next month.

At Longchamp Solow could not have been more impressive when winning in Dubai last time and the grey is taken to land his sixth on the spin in the Prix D'Ispahan ahead of a tilt at the Queen Anne at Royal Ascot next month.

He won't have things all his own way with the remarkable nine-year-old Cirrus Des Aigles in opposition but Solow is one of the most exciting horses I have seen for some time and must be followed.

WANTED MAN: Harry Kane

FIFTH SPOT COULD SEE KANE STAY WITH TOTTY

Everton v Tottenham Hotspur

Sunday, 3pm kick-off

TOTTENHAM boss Mauricio Pochettino has two things on his mind today – finishing fifth in the table and keeping hold of Harry Kane.

The second is more important than the first, but the Argentinian is determined to finish the season as high as possible.

Spurs take on an Everton side who were flirting with the drop zone at one point in the season but have bounced back well to climb up to 10th place.

They have been particularly strong at Goodison, so the Londoners will have to be at their best to come away with the three points.

That fact isn't lost on their manager, who said: "We need to finish the season in style and put all our energy into beating Everton."

As for the Kane situation, all at White Hart Lane are adamant that the striker won't be leaving in the summer.

The man himself has shown no signs of wanting to leave his boyhood idols so Poch might get his wish.

Kane is on something of a dry spell, without a goal in a whole four games.

But his boss isn't too concerned, saying: "This happens in football, up and down with a playe.

"There are always some periods during the season when it is difficult to score every game.

Positive

"But I am not worried about that. We only need to back him and be positive in the future."

Veteran goalkeeper Brad Friedel will sign off from professional football today – and the 44-year-old might have a part to play from the substitutes' bench with usual back-up Michel Vorm out through illness.

Pochettino said: "It's an unbelievable moment for Brad and great to share it with him.

"He's an unbelievable professional and deserves only good things for his future.

"It's his last professional game and maybe he'll be involved in the squad."

MIXED EMOTIONS: Martinez

Spurs are without Kyle Walker and Ben Davies, while Emmanuel Adebayor has returned to Togo for family reasons.

For Everton, manager Roberto Martinez is keen to give the fans something to cheer.

It has been a mixed season for the Toffees and he wants to push his side back into top-four contention next time.

The Spaniard said: "We are looking to give our home fans the joy they have been giving us this season. To be playing in front of another sell-out crowd makes it a very special game for us.

"Winning is the most important aspect in football, but it would be fantastic to get a good performance that can give everyone a really good feeling going into the summer."

CHELSEA v SUNDERLAND: SUNDAY 3PM, SKY SPORTS 2

JOY BOYS: The Chelsea players celebrate their title win at Crystal Palace two weeks ago – and Sunderland boss Dick Advocaat (inset) will be just as happy after today's game!

Bridge of highs

FORGET THE RESULT, IT'S PARTY TIME IN THE CAPITAL!

WHATEVER happens, it will be a celebration for both sides at Stamford Bridge today.

By ANDY MILLOM

Chelsea are being presented with the Premier League trophy – but Sunderland will be just as pleased to have saved their skins.

Both sides have been superbly guided by their managers.

Jose Mourinho has brought the title back to the Bridge in double-quick time, while Dick Advocaat has worked his magic in keeping the Black Cats in the division.

It's hard to say who would have deserved the manager of the year award more – but Jose's the one who won it.

It's been a bloody long wait for the Blues to get their ribbons on the trophy.

They wrapped up the title more than two weeks ago – when the Liberal Democrats were still in the government rather than the back of a taxi.

It seems a while since the win over Crystal Palace that meant they couldn't be caught, and Jose has been on cloud nine ever since.

He said: "The trophy means less than the feeling. For me, the feeling was Crystal Palace.

"I understand people need time to organise things and the ceremony needs time. But the reality is for me when you do it."

There could be a couple of new faces in the team, as Mourinho says he's planning to blood Andreas Christensen and Jeremie Boga, who have been key men in the club winning the youth version of the Champions League.

But he may not make too many changes as Chelsea are looking to be the first team to lose fewer than five times in a season in all competitions.

Manchester United set that mark in winning the title, FA Cup and Champions League in 1999.

And Mourinho would like to push Sir Alex Ferguson's side off that particular perch.

He said: "If somebody offered me for the 2015-16 season just four defeats, I would sign immediately. Four defeats is really good.

Animal

"I didn't know that we could set a record. Maybe that helps me to motivate the troops.

"It's hard when you reach your objective. It's hard to keep them at this level, a competitive animal.

"They are a bit like predators. After they hunt, a predator relaxes a little bit. This is our last match at home so we want a positive result. It is a big day for us." For Sunderland, they expected this day to be about winning to stay in the Premier League.

So the Black Cats are ahead of schedule after getting the job done against Arsenal on Wednesday.

You wonder if some of their fans are still celebrating in the capital after getting the 0-0 draw they needed for survival.

Sunderland are desperate to keep Advocaat at the Stadium of Light even though the pensioner has promised his wife that he'll retire.

A local poll showed 96 per cent of fans want the Dutchman to stay. Maybe the other 4 per cent were votes by Gus Poyet and his family.

He's promised to make his mind up in the next three or four days.

What an end to the season it would be on Wearside if Dick stays up there.

INCENTIVE: Sherwood

Time to earn cup final spot, says Tim

Aston Villa v Burnley

Sunday, 3pm kick-off

VILLA boss Tim Sherwood is desperate to erase the memory of last week's 6-1 stuffing at Southampton a week ahead of the FA Cup final.

With their Premier League future safe, the Brummies are naturally more bothered about Arsenal at Wembley next week than this claret and blue derby.

But, having performed so shockingly at St Mary's, Sherwood wants a final-day win to lift spirits all round at Villa Park.

He said: "We want to go out with a win. We owe it to our fans who have stuck by us and helped us over the line.

"We want to send them home happy. It's going to be a full house so we want to give them a good performance.

"We will only be celebrating if we win the FA Cup.

"The players are all fighting for their places. Nobody's place is safe. It's all up for grabs."

Kieran Richardson is an injury doubt for the home side as he's carrying a calf knock. Nathan Baker and Ciaran Clark are still struggling with knee problems.

Terrific

Burnley have no new worries – apart from the fact they'll be playing in the Championship next season, of course.

It's a farewell to Danny Ings, who could be making the short journey to Liverpool this summer.

Clarets boss Sean Dyche is still to decide if he'll stay in the hotseat and he wants to end the season strongly.

He said: "It doesn't seem two minutes since the first game against Chelsea, but the last game is still one where we want to win.

"We saw off our home fans last week and we want to do the same for our away fans.

"They've been terrific, absolutely outstanding. Hopefully we can give them a win to go away happy with.

"They've been the shining light of the Premier League in how they've supported us.

"I think the fans are in a wiser place. They'll have learned from the last time they were in this division and how tough it is to get back in there after dropping out of it."

WENG SLAMS RAM RUMOUR

Arsenal v West Brom

Sunday, 3pm kick-off

ARSENAL boss Arsene Wenger has midfielders on his mind ahead of the Gunners' final game.

The Frenchman has moved to tie Tomas Rosicky down to a new deal.

And he claims reports linking Aaron Ramsey with a move to Barcelona are total cobblers.

Rosicky was expected to be on his way out of the Emirates in the summer, but the Gunners have moved to sign the 34-year-old for another season.

Surprisingly, he will have been in north London for 10 years by the end of the deal.

Wenger said: "We've decided to take up the option for another year. Tomas Rosicky will not be involved in the transfer market at all. He will be with us next season and we do not use the players for any deal."

Ramsey was a surprise name coming up in connection with a move to Barca as they prepare for life without midfield maestro Xavi, who leaves for Qatar at the end of the season.

Maybe they see a similar sort of talent in the Welshman, although most people would say he has a long way to go to reach such high standards. A rather fanciful figure of £50million for the deal has been mentioned. But Wenger says he doesn't expect ANY players to leave his squad over the summer.

He said: "I believe that all our players want to stay here – all of them. I have no concerns at all."

On the pitch, Arsenal have ongoing injury problems with Danny Welbeck and Alex Oxlade-Chamberlain.

Magic

Both are out of this game and are facing a race against time to be fit for next weekend's FA Cup final.

Wenger said: "Danny is not out for a long time and he has nothing at all on any scan, just bone bruising on his knee. It's just the pain that will decide if he is fit or not."

For the Baggies, Tony Pulis has worked his usual magic and they go into this game with their Premier League place well and truly secure.

They celebrated by tonking Chelsea 3-0 at the Hawthorns last time out and will head to London with no fear.

Only long-term absentee Ben Foster is on the sidelines as Pulis has a pretty much full squad to pick from.

West Brom are safe in 12th place and will jump above Crystal Palace if they can better their result today.

STOKE CITY v LIVERPOOL: SUNDAY, 3PM

REDS FEAR SEVEN & HELL

Final defeat could see Kop plummet

By JOHN ANTHONY

THE Raheem Sterling road-show – or should that be sideshow – rolls into Stoke.

But while there's still so much speculation over the winger's future, Liverpool actually need to beat the Potters.

Or, more to the point, Brendan Rodgers does.

Defeat at the Britannia could see the Reds slip to SEVENTH in the table, which would be a shocking effort after going so close to winning the title just 12 months ago.

And it's also the little matter of Steven Gerrard's final game in a Liverpool shirt.

So maybe Raheem won't be the centre of attention for a couple of hours?

Fat chance!

Rodgers says Sterling is fit and available for the game so it will be telling if he doesn't make it into the starting 11. He played a full part in the last training session and he and the club's American owners are totally adamant that he won't be sold, so you would expect him to be on the pitch.

That doesn't apply to Mario Balotelli, who won't travel with the squad. He's unlikely to pull on the red shirt again – as long as Liverpool can find another team daft enough to buy him.

One man who would have teams queuing up is the club's player of the year, Philippe Coutinho.

He knows his manager would be under great pressure if the team did slip to seventh, but he's urged the owners to keep the faith with Rodgers.

Coutinho said: "He's the right man to take this club forward.

"I have always believed in this manager.

Generous

"I know how hard he works to lead Liverpool Football Club. I see what he does inside the club. He's an excellent coach.

"We have a very young group here – for a lot of the players this was their first season in the Premier League.

"Last season a lot of new players joined the club and I know myself that it's not easy moving to a new country.

"It took some time for everyone to get used to each other this season, but we worked hard and then, around the halfway point of the season, things started to look up."

For Stoke, it's been an excellent campaign and boss Mark Hughes can afford to be generous ahead of the final game.

He's urged the Britannia faithful to give Gerrard a hero's send-off, saying: "I'm sure the crowd will give Steve a good welcome.

"If it is to be his last game, then his career should be acknowledged, and will be."

SO PROUD: Pearson

Boss Nige won't let his Foxes limp home

Leicester v QPR

Sunday, 3pm kick-off

IT'S all about pride at the King Power Stadium today.

Leicester can take massive pride in the way they have come back from the dead to secure a place in the Premier League next season.

For relegated QPR boss Chris Ramsey, it's all about his players signing off from the top flight with their pride intact.

Foxes boss Nigel Pearson looks like the kind of man who would hit his granny with a two-footed tackle in a backyard kickabout.

So woe betide his players if they start getting the cigars out thinking their work is done for the campaign.

He's warned them that they need to finish with a flourish to thank the home fans for their incredible support through a largely difficult season.

Pearson said: "What we need now is to finish with as many points as we can.

"Psychologically it is important to finish high – and financially, too.

"It's important we finish on a high note from a prestige point of view.

"If anyone had said Leicester would finish with 41 points in 14th place a few months ago, they would have been sectioned.

Farce

"The players have done remarkably well. I've seen them deal with some difficult situations but still produced some remarkable performances."

As for Ramsey, he just wants his players to show a little pride as they complete their slide into the Championship.

He would like his team to condemn Burnley to bottom spot in the table by beating Leicester.

The R's coach said: "We have got another game to play and we don't want it to be a farce.

"We want people to go out and show people what we can do.

"I'm hoping there are going to be some youngsters involved at some stage.

"But whoever takes the field has to be worthy of putting a QPR shirt on and carrying out the task for the club.

"They need to respect the shirt and at least put a shift in.

"I'm hoping the players can play for some pride – we don't want to finish bottom of the league."

RECORD HAUL IS PARD TARGET

Crystal Palace v Swansea

Sunday, 3pm kick-off

PALACE need just a point to make sure of a record-breaking season.

Alan Pardew's men have already matched their best tally in the Premier League – now the boss is keen to see his team hit 48 points.

He's chasing his 10th win in just 18 games in charge of the Eagles – a record that would have seen his side in the European places if they'd managed to keep it up for a full season.

They face a Swansea team that has also won more points than ever before, so both sides end the season much happier than they started it. Palace showed just why they have shot up the table when comfortably outplaying Liverpool at Steven Gerrard's final Anfield game last week.

The 3-1 scoreline in no way flattered the Eagles, who were a constant threat to the home defence.

Wayne Hennessy is expected to keep his place in goal as Julian Speroni continues to recover from a knock, while Ki Sung-yueng is the only major new casualty in the Welsh ranks. Speroni has signed a new deal and Hennessy is a target for other clubs in the summer transfer window.

As well as the points record, Palace have an outside chance of breaking into the top 10, a superb achievement considering they looked prime relegation candidates when Pardew took over from Neil Warnock.

Rubber

For Swansea, this really is the ultimate dead rubber as they cannot go up the table but also cannot be caught by any of the teams below them.

Swans boss Garry Monk is expecting a tough afternoon in south London. He said: "I thought Palace were excellent against Liverpool last weekend.

"They are a real threat going forward with the attacking players they have.

"It will be a difficult game for us. They are still fighting to move up a couple of places in the table, so we're expecting a tough contest.

"We had a fantastic start to the season and, overall, I think we've been the most consistent that I can remember in this division.

"But we want to try to finish on a real high. We have a lot of fans travelling to support us and to finish with a win for them would be really nice."

FOCUSED: Alan Pardew

ON THEIR WAY: Toure and Milner

OUT WITH THE OLD AT CITY

Manchester City v Southampton

Sunday, 3pm kick-off

MANCHESTER CITY will hope to send Yaya Toure and James Milner off with a win against the Saints.

The Blues have been a shadow of last season's champions and there is set to be a major clearout of players this summer.

They want Toure and Milner to stick around at the Etihad, but both look set to pack their bags.

Milner can move on a free transfer and there are a host of clubs in the running for him, with Liverpool thought to be in the driving seat.

There's surprisingly little firm interest in Toure, with only Roberto Mancini at Inter Milan publicly talking about making a bid.

While those two head for new challenges, City fans can get a glimpse of the future as teenage striker Kelechi Iheanacho is set to feature against Saints.

City boss Manuel Pellegrini is very keen on the 18-year-old Nigerian and wants to give him some first-team experience.

He has been on the fringes of the side and is expected to have some sort of run-out today.

Pellegrini said: "He's a very important player for us in the future.

"It depends on the way he takes this profession, but I think he's a good talent."

CLOSING IN: Jay Rodriguez

Marathon

Unlike many other City youngsters, Kelechi is not expected to be farmed out on loan next term.

Southampton boss Ronald Koeman is looking to jump above Liverpool or Spurs to guarantee a Europa League place.

His side sit seventh now, but that would only be good enough for Europe if Arsenal win the FA Cup.

Unlike the Reds and the Londoners, Southampton would actually like to appear in the Thursday night marathon.

Koeman said: "It has been a fantastic season for us. Of course, it will make it even more special if we reach Europa League football.

"If we win on Sunday, I think that means we will be fifth or sixth in the league because I don't think all the other teams will win difficult away games.

"I don't think that they will win both against Stoke away or Everton away. Then again, maybe ours is the most difficult.

"We beat Man United, we had a draw against Chelsea. Why we can't win against Manchester City?"

The Dutchman heads to Manchester without Jay Rodriguez.

Koeman added: "Jay will travel with the team but he will not be part of the team, not on the bench.

"Jay will have to wait until pre-season – at that time we have a lot of friendlies to start playing football.

"He is close to being back, that's true, and that's why he travels with the team, but he won't be on the bench."

PREMIER LEAGUE FINAL DAY: AGOG ON

Toon Army stunned as relegation threatens

By TREVOR CLEMENTS

THE scenario for Newcastle United today could not be more simple.

Match or better Hull City's result against Manchester United then it is another season in the sport's top flight. Fail? Relegated.

And in the sort of twist that makes curtain call day such an intriguing affair, the boss facing the Toon today is Sam Allerdyce – the last man they shat on from a large height.

No hard feelings? We very much doubt it.

The lads in the Gallowgate End will have one hand on their Gregg's pasty and the other on their tranny radio.

Because no more than a couple of hours drive down the A1 their fate will be shared, spared or dared by Hull.

They face Man Utd who maybe, just maybe, might have signed off for the campaign with next season's Champions League starting place safely tucked away in the arse pocket.

If the Tigers beat United, a draw wouldn't be enough for the Toon.

If Hull fail to win it will be party time in the Bigg Market tonight – just for a change.

Fisticuffs

And who manages the Tigers? Former Old Trafford hero Steve Bruce. Fascinating stuff.

The Toon remain in denial about a training ground bust-up between Papiss Cisse and Daryl Janmaat this week which saw the pair indulge in fisticuffs.

But it is hardly a good preparation for the biggest game United have faced in years.

Bruce's old colleague Paul Scholes has a gut instinct his pal will condemn the Toon to the second division.

He said: "As a young footballer at United, Steve Bruce was one of the senior pros I really admired.

"Steve was captain by the time I broke into the first team and we played one season together, 1995-96, before he moved on.

"I always felt he would look after the young players, especially if you found yourself in trouble on the pitch.

"He was also well known for the fearsome bollockings he gave out if he didn't think you were pulling your weight.

"His managerial career has been good, too. Not many last that long in the game. And now he finds himself with one match to save Hull from relegation.

"Even if they beat Manchester United, they will go down if Newcastle win against West Ham. have this instinct that Hull are going to survive. So there you go, I'm sticking my neck out. Hull to beat United and stay up; Newcastle to lose to West Ham and go down."

Allardyce looks pretty likely end his four-year reign at the Boleyn Ground today without signing a new contract and says he will decide his future while on holiday with his grandchildren after this crucial finale.

He said: "My future at West Ham will be decided after this weekend.

"I will be on holiday with my grandchildren, something I'm looking forward to immensely, but my representatives will be talking to the club. There's nothing more I can say on that. I'm not in control of the situation so we'll just wait and see."

As for the match, Newcastle welcome back Mike Williamson – the defender John Carver accused of getting sent off on purpose.

The head coach is sweating on the fitness of striker Papiss Cisse.

West Ham will be without James Collins but they have the option of Kevin Nolan in midfield who returns after a family bereavement.

Bruce wants repeat of Tigers feat

Hull City v Manchester United

Sunday, 3pm, live on Sky Sports 3

STEVE BRUCE will be hoping lightning strikes twice as his side take on Manchester United needing to win.

They played the Red Devils on the final day of the 2008-9 season with relegation hanging over their heads.

The Tigers survived that day and Bruce hopes he gets to sing on the pitch just like Phil Brown did when his team stayed up.

To make it an even bigger case of deja vu, the team they sent down that day was Newcastle – just like it could be if the Tigers beat United.

And Bruce thinks if his team gets the job done, the Toon will buckle at home to West Ham.

"We have to go and look to win the game, because if we do that I'm sure we'll give ourselves an almighty chance.

"I've said all along that 34 points wouldn't be enough – but if we get to 37, with our goal difference, we've got an outstanding chance.

"We just have to make sure we do our job on the day.

"Newcastle will have a big, baying crowd that will be anxious and if we're able to get our noses in front, it would make a difference.

BIG MISS: David de Gea

Drama

"Funny things happen on the final day of the season. In some ways it reminds me of the time we played Cardiff back in 2012.

"The stakes are just as big this time. We can only do our bit and hope it will be enough."

It is actually six years to the day since that final-match drama that saved the Tigers' skin.

Then, they lost but still stayed up – that wouldn't be good enough this time around.

And Bruce says it will be impossible to keep news from St James's Park from reaching his players out on the pitch.

He added: "The news inevitably seeps through to you, but truly it's about what we do.

"Our job is in front of us and we've got to go out there and do it."

Hull haven't beaten United since 1974 and Bruce says his team can't go shit or bust despite being desperate for the victory.

He said: "You can't be gung-ho against Man United. You've got to be well organised and hard working.

"Do you open up and play a bit more freely, or do you then run the risk of United running riot?

"We've got to come up with a strategy for how to win without being too gung-ho."

The Tigers are due to field the same team that lost 2-0 at Spurs last week.

For United, keeper David de Gea is the main worry, with fellow Spaniard Victor Valdes on standby for his first Premier League start for the Reds.

MEGA WEEKEND FOR THE PREMIER LEAGUE

IT'S ALL ABOUT THE wonga.com

● Toon or Hull to lose £150m

● Boro or City to gain £150m

THIS weekend is all about the word that's emblazoned across the front of Newcastle's shirts — WONGA!

By JOHN ANTHONY

Amazing amounts of cash are on the line in the most important two days of the football season.

Today we'll find out if it's going to be Hull City or Newcastle United that drop from the Premier League into the Championship.

Massive

As much as £150million is at stake for the relegated side if they don't make it straight back into the big time.

And there's an equally massive match at Wembley tomorrow.

It's the Championship play-off final as Norwich City and Middlesbrough fight to make it into the top flight.

That's billed as the £150m match such are the rewards from making it to football's promised land.

Whoever wins will get their hands on a share of the eyewatering £5.1billion TV money that broadcasters pay to screen the Premier.

And they'll be swapping fixtures against Brentford (no offence!) for trips to Old Trafford and the Emirates.

As Sky used to say, it's a whole new ball game.

But if getting to the top league is every club's dream, it's a real nightmare going the other way.

So fans of Newcastle and Hull will have bitten their nails to the quick by the time their games kick off at 3pm this afternoon.

The Toon may not have won a match since there was snow on the ground but they are in the better position of the two teams that could go down.

That's because Hull MUST beat no less than Manchester United at the KC Stadium to stay up.

If Steve Bruce's side manage that then Newcastle have to beat West Ham at home to survive — a draw wouldn't be good enough for John Carver's side because of their inferior goal difference.

Newcastle fans will hope that Bruce continues his nightmare run as a boss against the club he served so well as a player.

Golf

He's gone an incredible 21 games without beating United as a coach, a run that goes back to his distant days in charge of Birmingham.

But plenty of people have been quick to have a pop at Carver for playing in a charity golf match rather than getting his players in for extra training.

He also gave the squad two days off to escape from the pressure that is mounting at St James's Park.

Carver explained his call: "I don't think bringing in them just to tear a strip off them would have achieved anything.

"That's definite. I did that after the Leicester game and you can't really say that it worked. I've done it, and you can only do it so many times.

"You have to try to find different ways of dealing with different situations.

"That's why I did what I did and I stick by it 100 per cent.

"When we came in to train it was so lively that that just convinced me even more that I was right.
